## Performance Notes:

Begin by singing through each part once or twice to teach the part to the congregation.

Feel free to return to Part 1 like a refrain in between teaching Parts 2 and 3.

After completing Part 3, begin layering Parts 1 and 2 together.

Next add Part 3 to the others, and repeat as many times as you wish.

The last time through, have everyone return to Part 1.

*Note: The chords are not meant to match the chords produced by the three vocal parts.*
