

# The Power of the Flower Garden

**Chorus** *Ad lib. alternating low and high voices*

$\text{♩} = 100$  C Dm F G

Ev - 'ry bloom is diff - 'rent; that's the pow - er of the flow - er gar - den.

3 C Dm F/G G C

Count - less points of view, and that's the beau - ty of us all!

5 C Dm7 C F G

Ro - ses dwell with lil - ies; vio - lets do the same.  
We all need the sun - light; we all need the rain.

7 C Dm7 F G

We can grow to - geth - er when our gar - den we main - tain.  
We de - fine our pur - pose when each oth - er we sus - tain.

**Optional Codas** *Sing in between, after or simultaneously with Chorus, ad lib.*
