

News from Sage Homes

APRIL 2025

Helping your neighbourhood *blossom* this spring

There's lots of ways to make a difference in your neighbourhood. Why not join the hundreds of customers who've helped run community events, contributed at our feedback sessions and taken part in neighbourhood initiatives.

Check out the ideas below, to help shape your community and make a real difference where you live.

Celebrate Spring: get money towards a community event

We can help you organise a community fun day, whether it's a picnic, a sunny coffee morning or something bigger, with our Spring Community Celebration fund. Just apply for funding (by 14 May) if

"[Sage has] supported us to do events that have brought us all together young and old."

Shery, Milton Keynes

you'd like help to host a neighbourhood event between 24 May and 1 June.

APPLY NOW >

Not just for Spring

Don't worry if you miss the deadline, or you think of a great initiative for your community for another time of year; we can still help. Find out more on our [community grants page](#).

Sage in your neighbourhood (coming soon)

After successful face-to-face drop-in events in Essex and West Sussex in April, we're soon going to be trialling virtual sessions too. You'll be able to dial in and ask us questions about your home and community. Do you want us to run a drop-in session for your area? Let us know.

GET IN TOUCH >

Zoom into action: share your experiences

Our Customer Insight group online meetings are a great way to tell us how you feel about our services. Previously, customers' valuable input has helped us make improvements in areas like community safety and communications.

Next up, we'll be talking about:

- Building safety and customer engagement (at 6pm on Thursday 26 June*)
- Empowering communities (at 6pm on Thursday 6 November*)
- We also run regular 'Tech talks', which are short sessions to discuss and test new tools for our digital services (like your My Sage Home online account).

If you'd like to get involved, or find out more, just let us know.

GET INVOLVED >

*Dates are provisional for now. We'll confirm session timings in advance, with those who register an interest.

Coming soon: Community Champions

Could you be the voice of your community?

Later this year we're launching Community Champions: a new initiative to make sure every neighbourhood at Sage has a voice and can share issues, queries and suggestions for improvement.

Want to know more? Let us know, or keep an eye out for more information coming soon.

Working with Neighbourhood Watch

Your safety is our priority. That's why we work with Neighbourhood Watch to promote good neighbour behaviour and community safety.

Could you help? To get started, use the **Find your local NW** link on the Neighbourhood Watch website: ourwatch.org.uk

If there's not already a local scheme, it's easy to set one up.

Have your say (with the CSP)

Our Customer Scrutiny Panel (CSP), a group of Sage customers like you, meet regularly to shape how we work with you. They have direct access to our Board and staff members, and have helped us do things like create your My Sage Home online account, co-write our policies and influence how our teams work at Sage.

The CSP meet regularly with the Sage team

Have you got a topic you'd like them to discuss with us?

Making our services and communications work for you

If you need us to make reasonable adjustments so you can get the most from your home, our services or our communications, we want to help.

Do you need us to communicate in another language, larger print, or a different format?
Maybe you need us to make a change because of a physical disability, or situation at home?
