

Prairie Bowmen

July 2015

President's Report

Hope everyone had a great 4th of July.

We have our 900 round coming up this month on July 19th. If you are planning to shoot the State 900 or State Games of America, this will be a great opportunity for you to practice for those. There will be a work day on Saturday July 18th to prepare for this shoot. We will be working from 8am to 12pm so if you have the time please come help setup and get everything ready. All help will be appreciated.

Our Annual Jamboree is next month on August 15th and 16th. Randy Meyer our new Bowhunter Rep will be setting up a fun and challenging course. There will be a class for everyone including non competitive. This event is open to all members and non members. The Jamboree is our biggest shoot of the year so please try to come out and shoot to support your club while having some fun shooting with family and friends.

I would like to thank Tim Kaldahl our Website Coordinator/Newsletter Editor for everything he has done for Prairie Bowmen. Tim and Lisa and their boys Erik and Justin will be moving to Montana the end of July. Tim was the winner of the Ruth Ellis Volunteer to the Year award this year at the Annual Banquet. He helps with every event and activity the club holds. Tim also runs our JOAD and Intro to Archery programs. He has been a huge asset to Prairie Bowmen and will be greatly missed. Thank you Tim and good luck in Montana.

Bowhunter Report

Hello Prairie Bowmen members. This is Randy Meyer your new bow hunter rep. We have one 3-D left this year. It is going to be our jamboree in August. Come on out and take the opportunity to get your bow hunting setup ready to go for September 1st. We will be giving out glass mugs for the archers who plan to shoot competitive. We will be putting all the winners of each class in a hat and drawing names out until we run out of mugs. We will be serving free food and plan on having lots of fun. If you do not want to shoot competitive, grab your range finder and come take advantage of your fantastic outdoor range and targets to get ready for the up coming hunting season. Its all about shooting your bow and having fun! See you in August, I guarantee you a challenging and fun 3-D weekend.

Special Meeting
