

Prairie Bowmen

President's Report

BOARD POSITIONS

Board positions up for election this year are President, 3D Rep, Secretary/Treasurer and Youth/Educational Coordinator. These are all two year terms.

Board members shall not hold a leadership position in a competing organization.

Board members shall participated in a minimum of three work days and shall shoot or help run two club events per year.

Board members are responsible for tracking club property under their areas. Each board member shall submit an inventory list to the President before the Budget Committee meets.

Board members must be a club member in good standing for a minimum of four months.

Board members will receive a free membership.

July 2016 Board members are expected to attend all board meetings.

Board members shall promote all club functions and try to attend all club functions when possible.

If you are interested in running for one of the 4se positions and have questions please email pbarchery@gmail.com or any board member.

Treasurer Report

TREASURER REPORT

No treasurer report has been provided at this time. If you wish to be informed about the club finances you should come to the next board meeting listed below.

Bowhunter Report

JAMBOREE

Prairie Bowman members. We have one 3D left in the 3D season. August 13th & 14th. Registration on Saturday will be open until 2:30 P.M.. Sunday registration will close at 1:00 P.M.. We will be giving out glass mugs in known 50, open, NBR, hunter and women's. To qualify for a mug there has to be at least 3 people in your class. Archery season will be right around the corner. Grab your hunting bow and call your friends. Bring your range finder if you would like to and get ready for hunting season. Let's make the last 3D of the season a good one! Come out and have some fun.

Randy Meyuer—402-499-8815

Target Report

We are still in need of a target representative. If you have an interest in serving the club in this capacity please let the board know. The cancellation of the 900 was due in part to the lack of a target rep.

Board Meeting

Thursday July 14, 2016

7 PM Outdoor Range

Newsletter Editor Report

Generally there is not a report from the newsletter editor in this publication, but on this occasion there is room left over so I thought it appropriate to take advantage of the opportunity and not waste paper. My job is to facilitate communications with the membership and the public relative to activities of the club. In this case I am attempting to communicate with you as members relating to the upcoming elections.

As stated in the President's report there will be five openings to be filled by the elections. Those positions are President, Target Rep., Bowhunter Rep., Treasurer/Secretary and Youth Education Coordinator. All of these positions are important to the proper function of this club. We need willing people to take on the responsibilities of each position. In light of the stated desire of the incumbents in these positions it appears that they will not be running for re-election. This means that the balance of the membership must step up and take on these responsibilities.

If you are concerned about your ability to take on one of these positions you should be aware that none of us are infallible and it takes the whole team to make the club work. That means that if one board member is having problems or needs help, the rest of the board is there to assist. The membership will also turn out if needed. When one of the board members recently became ill and could not take part for a period of time other members took up the slack and kept his program running. You will not be alone in your position if you choose to run and are elected.

I have been a member since about 1977. During my membership I have tried to help when the job skills of my profession would be beneficial to the club but I never served on the board. This last year it became apparent that we needed a newsletter editor and no one-else seemed interested in the position. Part of the job description was to manage the website and publish the newsletter. I have absolutely no experience at either task and consider myself to be IT illiterate. I decided it was time to help out and have not regretted my decision. I received much needed help from Kelly Allen and my son-in-law. While I am still learning, if you are reading this or have checked out the web page recently it would appear that I have had at least some success. My new position has forced me to become educated in the very basics of media and I look forward to learning and doing more. My next task is to figure out how to do Twitter and Face Book.

If you want to look into running for a board position you can go to the website and click on membership. Then go to the bottom of the pop-up and click on General Rules & Bylaws. There you will find a detailed description of the responsibilities of each position. While the language set out there may seem quite formal the bottom line is that we need to get the overall job of running the club accomplished. The job is a joint effort by all board members and the general membership so don't be intimidated.

Nominations for an office can be made by a nominating committee of the board or from the floor at the September board meeting. If you are interested in an office you should contact a board member so your name can be placed in nomination or you can come to the September meeting and nominate yourself from the floor. A ballot which will include lines for write-in votes will be mailed out in the October newsletter. The ballots will be counted at the October club meeting. The winners will attend the November board meeting and take office after the December board meeting. There should be a smooth transition to the new board.

This club is made up of members from all walks of life and all ages. Some of our members have been here for over forty years while others are relatively new. At some point all of those members need to step up and help out. This is the time for at least five people to do just that and run for office. We have been in existence for over 60 years. We did that by being a family and we need to continue as a family for the next decades. I hope to see some of your names on this year's ballot. Wayne E, Janssen, 402-488-6620

PRAIRIE BOWMEN'S

Range Master Report

Workday May 21:

Two members showed up to help me and they were Gaylen Rogers and Rodney Lange. We installed three more bow racks to complete that project. Rodney rebuilt the sitting bench on target two and gaylen did a lot of mowing. Thanks Guys for your help.

Lonnie Mostek 402-483-5909

THERE SHOULD BE NO TREE CUTTING ON THE LOWER RANGE. FOR ANY REASON.

Work day June 25

This last workday was a whole lot better for the club. We had seven members to share the fun with. Gutters were cleaned out on the club house. The play area has been removed from behind the American range and relocated up by the club house. The fallen tree on the trailer was removed, however, the trailer didn't fair too well. Gras trimming and some pruning was done. And also the downed bridge on the upper range that turned into a dam was removed.

Lets give these helpers a big thank you!

Wes Sheets, Gaylen Rogers, Chris Benson, Butch Poteet, Doug Friendt, Roy Walgamatt, and Dave Wolfe.

Note: Our next workday will be in August

Reminder: The locks will be changed August first.

JOAD / AAA

The next section of JOAD will begin on July 12th and run for 10 weeks the cost is \$15.00 for members and \$25.00 for nonmembers. The sessions run from 5:30-7:00 and 7:00-8:30 with sign up the first half hour.
