

Prairie Bowmen

November 2014

President's Report

Hope everyone is having a successful hunting season so far. I have seen quite a few pictures of some nice deer taken. If you would like to share your pictures please send them to Tim Kaldahl at tkaldahl2000@gmail.com he will get them up on our website or you can post them on our facebook page Prairie Bowmen Archery Club.

We completed our first course of Introduction to Archery through Southeast Community College today. It was a great success; we had a class size of 12. Most were beginners with no experience and they left the class excited about the new skill they learned. We have many of them talking about joining the club or joining one of our JOAD programs. Our next course will be starting in January, if you would like to help please send an email to parchery@gmail.com for more information.

We will be getting the outdoor range winterized this weekend, but it will still be open for your use.

I would like to thank everyone who voted for me to continue being your club President. I plan to continue helping Prairie Bowmen Archery Club grow and our sport of archery.

Bowhunter Report

Hey everyone

Hope your hunting season is going well. Mine came to a end on the 29th of October. I shot a 4x4 and had carpal tunnel surgery on the 30th. I won't be shooting anytime soon. I am getting the left hand done in the middle of December. I am hoping to be shooting again by the end of February. I also want to thank everyone for voting me back for another term. I have some stuff I want to plan on doing to improve the range. Well I hope everyone's hunting season is going good. Remember if you get any trophies please email Tim and he will get them on our website or you can post them on our Facebook page. Good luck everyone.
