President's Report

Our Annual Jamboree was a great success everyone had a goodtime. We had over 90 shooter come out and shoot the 3D course. There were many compliments giving about how good the course was setup. We also had some shooter who just came out to shoot the novelty shoots. Thanks Adam Jirovsky, Tim Kaldahl, Wes Sheets, Michael and Grant Welsh, and Robin Ward for setting up the 3D course and novelty shoots.

Everyone enjoyed eating the free hot dogs donated by Steve Woitaszewski. Thank you Steve for donating and thank you Kelly Allen for grilling and serving them, they were enjoyed by all.

We received many donations for our door prizes and raffles; I would like to thank David Wolfe, Play It Again Sports, Trackside Bar & Grill, Xtreme Archery, Cornhusker Bank and Tom Nauman for their donations.

Thanks everyone who helped run the Jamboree Gaylen Rogers, Adam Jirovsky, Tim Kaldahl, Michael Welsh, Kelly Allen, Dave Sobotka, and Mark Vanek. I would also like to thank everyone who stayed around to help clean up Gaylen Rogers, Adam Jirovsky, Tim Kaldahl, Michael Welsh, Dave Sobotka, Kelly Allen, Mark Vanek, and Butch Poteet.

Thanks again to everyone who helped make our Annual Jamboree a success. Whether you helped with the workday, setting up, running, cleaning up and/or donating we couldn't have done it without your help. We received many compliments on how nice the range looked, how well everything was run and how nice everyone was. Because of how good everything went and looked we signed up two new memberships and handed out six applications.

There was one compliment that really stuck with me and I would like to share it with everyone.

"I've been shooting many years and I quit coming to Prairie Bowmen events because I felt uncomfortable. My friend talked me into coming out and shooting with him. I'm sure glad I did because I wouldn't have believed the changes if I hadn't seen them myself. Prairie Bowmen members should be very proud of the leadership they have right now, they are really turning this club around."

Bowhunter Report

Well 3D season is over and hunting season is here. We had a good turnout for the Jamboree. Thanks to everyone who helped and also who shot. We had 91 people shoot.

Would like to also congratulate Randy Meyer for getting 2nd place at the ASA Classic and also getting 2nd place for shooter of the year in the ASA.

As some of you may or may not know elections are coming up soon. My term is up and I am running again. I want to continue to see the club continuing to grow and progress in the positive direction that it is going. So if u are happy how things are going make sure you vote. Everyone's vote counts.

Target Report

Autumn brings many archers thoughts of big bucks, tree stands, and turkeys. I am still thinking circles— Target circles.

In October we have the Halloween 300 and a Vegas 450 in December. Hopefully people will have their tags filled by then and will be ready to bust some paper.

I am also looking at options for a fall league. I had a lot of complements about the mixed format we had in the spring, so I am looking to do something similar this fall. With school, football, and hunting starting it has been hard for people to have time, but I also know we have a lot of non-hunters in the club that would enjoy a fun night out. I would enjoy any suggestions people have to make the league more entertaining.

I was really happy for the participant turnout at the State 900 in August; despite the constant risk of rain. Thanks to Adam, Dave, Galen, Trent, Rodney and anyone else I am forgetting for helping to setup and run the event. We had a lot of complements about the food that Kelly provided so thank you. Also thanks to Kevin for showing me how to use the tractor to move target bales and to Jim Tubbs for helping me stay organized. And a big thanks to Sean P. for helping me enter scores. Sean also got a higher score than me that day so I had to buy him a candy bar.
