Hello Everyone, I'm the new range master of the south range. I just want to let you know a little about myself. I've been involved in archery for going on twenty three years now. I have been a member of Prairie Bowmen for the last two years. I actively participate in outdoor target, indoor target, 3-D's and spend a lot of time in the outdoors hunting.

The south range needs some attention as a lot of you already know. If anyone would be interested in sponsoring and maintaining a target lane please contact me. It's going to take some time and effort to get everything back into shape so if you have any problems or need anything please let me know. You can contact me at 402-416-9066 or email me at [bcroner@neb.rr.com](mailto:bcroner@neb.rr.com).

## COMBO CHANGE- Brett Croner

I am going to change the combination to the outdoor and indoor ranges on October 29<sup>th</sup>, 2010. The new combination will be xxx. If you do not have a combination in the blank then you need to contact the Membership Chairperson at 402-466-6394 or 402-540-7238 ASAP.

## YOUTH ARCHERY UPDATES - Gary Waters

The youth archery program continues to go well. We are having several show up on Saturday mornings to shoot including a new mother and son team. The young people are excited and are having a great time. we have some students who are going to go turkey hunting for the first time this fall and boy oh boy are they pumped.

I would like to invite all the club youth to the annual Halloween party this Saturday at the outdoor range. I know that you will have a great time. There will be a Hayrack ride weather permitting, and treats and refreshments for all. Belinda Hickman goes all out to put this on. Please come out and support her.

On Tuesday October 17, 2010 Wes Sheets, Paul Eiland, Jan Robertson and myself will represent Prairie Bowmen and the NASP Program at the Mickle Middle School Health fair. This should be an exciting time.

Well that is all for now until next month may you shoot the deer of your dreams.

## BOWHUNTER EDUCATION CLASS- John Elliott

FYI, There is a Bow Ed Class planned for the week of rifle season in November. The dates are the 14, 16, 18 and 21. If you need or know of someone who needs the class, check with the Game and Parks web site to register. This class is usually the last one of the year and fills up quick.

Three brand-new lockers are for rent. If you are interested in the rental, please give me a call at home at 466-6391 or my cell at 540-7238. Lockers rent for basically \$5 a month but with a 4 month minimum or \$50 a year and save \$10.

## OLD RANGEMASTER REPORT- John Elliott

This will be my last report as the Rangemaster as I have turned over the reigns to Brett Croner as of the October board meeting. I have been at this position 14 plus years. It has been my honor to be able to serve this great club in several capacities and hope you all will give him the same support you have given me over the years. Thanks to all those that have helped in the past and that will help Brett in the future. This is very short, not much to say. The water has been shut down at the outdoor range and also the phone. I did get the three new lockers built at the indoor range and are for rent. Thanks again for letting me represent you and hope to see all you at the range. Shoot straight and true.

## BOARD POSITION BIOGRAPHIES

### NOMINATIONS FOR PRESIDENT

#### Jeremy Boyer

Hello Prairie Members,

My name is Jeremy Boyer and I am very excited to have been nominated for the President position. I have been a member since 2007 and have been engulfed in the world of archery since then. For me, archery started out as a hobby and has grown into a passion. Since December of 2008, I have been traveling around the Midwest almost every weekend, often to two different shoots, in hopes to gain acknowledgment that Lincoln members do attend other shoots. I have competed in both 3-D and target in all of my travels. I still have much to learn, but as most of us continue to strive for perfection.

Professionally, I have employed with Buffalo Wild Wings since 2005. I am currently a Director of Operations for the owner of the store and have a 6-state area that I am responsible for. We have recently remodeled the Downtown Lincoln store, so you should come check it out!

Personally, I am married to a wonderful woman named Angela. We have been married for almost 5 years and have a 3-year old son named Coltyn. We also have a dog named Clover who was ranked 5th in the nation in Dockdogs in 2007. I am addicted to deer hunting and have been trying to find that 200 inch buck. If anybody can point me in the right direction, I would greatly appreciate it!

With my youth and addiction to archery, I have many great ideas I could bring as president. I would like to see the 3 amigos stay on, as they did an outstanding job on the 3-D courses. Though the numbers were not where they wanted them, many outsiders in other shoots were talking. The spiderweb targets have been a success and with funds and the proper procedures, targets like this make it enjoyable to shoot at. I know when I travel to other clubs I always comment on targets. I also want to initiate a traveling league where we challenge other clubs in the area for a best club in Nebraska indoor competition. If we have enough interest, I would like to see both target and 3-D do this.

I thank everyone for this opportunity and consideration.

Jeremy Boyer

#### Rob Barlow

Working at Walker Tire has been a benefit for the club a few times in the years I have been a member. I have shot all venues of archery, compound( winner of State All Round and numerous State Championships ), Olympic Recurve ( one National Championship and numerous State Championships) And Traditional Archery. I have served on the Prairie Bowmen Board for years and would like to continue as your President.

## NOMINATIONS FOR SECRETARY

### Patty Hickman

Patti has been involved with the club for many years. Serving as Secretary is not all she has done. Her job at the Manor has not stopped her from helping with Kids Kamp, Youth programs, and cooking at events so we have good food to offer.

She will continue to be a loyal Prairie Bowmen Board Member with your blessing.

## NOMINATIONS FOR YOUTH EDUCATION COORDINATOR

### Gary Waters Sr.

My name is Gary Waters and I am running for Youth Education Coordinator. I am married with 5 children. I am employed By Lincoln Public Schools and assigned to Northeast High School where I run the Academic Support program. I have a son and 2 son in laws serving in the US Army National Guard. I started shooting archery at 7 years of age. I became a member of Prairie Bowmen Archery club in 2000. I have been in charge of Kids camp for 9 of those 10 years. I am a Bowhunter Education instructor. I am a NFAA Intermediate Archery Instructor, NASP BAITs (level 3 instructor), and NAA level 2 instructor. I currently coach the Archery Team at Northeast High School and Coached Dawes Middle School to 4 State Championships. I am very involved with my church and my grand kids. I am also very involved in all phases of the Boy Scouts of America, Where I am a Scoutmaster of troop 756, Crew Adviser for Venture Crew 4 and, Assistant Bear Den Leader for Cub Scout Pack 51. I am a Brotherhood member of Scouting's Honor Society Order of the Arrow, and a Merit badge counselor for many of the outdoor and required merit badges for Eagle Scout. I love working with young people and help them to see their potential.
