President's Message

by Jim Tubbs

It's hard to believe that 2021 is coming to an end. Here's hoping that we have a better 2022 and the covid pandemic will come to an end.

I again want to thank Bob & Kay Larsen for the extraordinary job they did on the newsletter the past couple years as our communications directors. Welcome aboard Kelly Slama as the new director. She has big shoes to fill, but she will do an outstanding job!

Also a big thank you to Brian Krogman, as our outgoing range master. Brian has been at this for several years and was a big help in putting together our current indoor range. Welcome aboard Harry Windle as the new range master.

This year looks to be busy for Prairie Bowmen. We have 4 3d's on the schedule, multiple target tournaments and NASP schools are back with practices and tournaments. We can always use help with these.

Our 1st tournament will be the 3d at the Deer & Game Expo at the Lancaster Event Center on January 14, 15 & 16. We will be taking equipment over the afternoon and evening of the 13th for setup. If anyone can help, please let us know.

Official target league starts January 3 and 3d league starts on January 6. Chad and Danny are looking for good crowds.

Hope you all have a Merry Christmas and a Safe & Happy New Year!

Secretary/Treasurer Report

by Chris Benson

The 12/15/2021 Board meeting was called to order at 7:00 pm at the range.

Board members present: Jim Tubbs, Danny Tubbs, Chad Morgan, Steve Woitaszewski, Brian Krogman, Bob Larsen, and Chris Benson. Incoming Board members Kelly Slama and Harry Windle.

Club members present: Patrick Sullivan and Kay Larsen.

Minutes of the last meeting were read and approved, followed by the Treasurer's report.

Target: Chad reported the next league will start on 1/4/2021. The Cornhusker Shootout was pretty well attended for a new event with 48 shooters. Participation should increase in the future.

Bowhunter: Danny will be meeting with Wes Sheets this weekend at the Ike's to plan and lay out the 3-D Icebreaker shoot coming up on March 27. 3-D league will start the first Thursday in January.

Youth: Steve reported there are two weeks remaining in the current class session. The next one will start on January 11. He requested the club get more shooting tabs. If any club member has one they're not using please get them to the range. If not, they will be purchased.

Rangemaster: Brian reported some of the target backers aren't in great shape and we may have to rebuild them soon.

Correspondence: Bob reported his list of members without email is down to 15 people. The number of club emails that "bounce back" as undeliverable is now almost non-existent.

Old Business:

The Deer & Big Game Expo is on January 14,15, &16. Volunteers are needed to pick up the osb and deliver it to the Events Center. Then help is needed to unload material and set up for the shoot.

Jim attended the Presidents/Secretaries meeting in Grand Island. There are several shoots next year for the Club. Members, please watch the calendar in the newsletters.

The high school JOAD teams that practiced at our range are returning for this year. Reminder to our members, lanes 1-16 are reserved for them during their sessions, lanes 17-22 will be for members.

Discussion was held regarding moving a portion of our savings account into a couple of Vanguard mutual fund accounts. These are highly rated funds that should earn more than simple savings accounts and help combat inflation. It was moved and seconded to proceed, motion carried.

New member applications were read and approved for: Logan Driskell, Glen Duerfeldt, and Tim Jensen.

New Board members Kelly Slama (Communications) and Harry Windle (Rangemaster) are now on board for the next two years.

The next meeting is scheduled for January 19th, 2022.

Respectfully submitted,
Chris Benson
Secretary/Treasurer

Youth Education Report by Steve Woitaszewski

We just finished the last session for the 2021 Prairie Bowmen's archery JOAD class. We had a fun shoot; shooting a few 3Ds, bows (bowhunting), Christmas ornaments, cups on a wall, tried to shoot a robin hood into a 1 1/5 cardboard arrow, and a few other fun targets. A great way to end the session and put your new found skills to work (fun).

The 2022 session will start on January 11, and we will again offer two classes every Tuesday evening. The first session will start at 6 PM and the next session will start at 7:30 PM. The sessions are open to ages from 8 years and up. We have several adults partaking in each of the sessions, so if you know of anyone interested in taking up archery, send them over and have them give me a call if they want more information or just show up on January 11. The session runs for 10 weeks and the cost is only \$50 for all 10 weeks.

Hope all had a very Merry Christmas and a very Happy New Year!

Bowhunter Rep Report by Danny Tubbs

By the time you read this, deer season will be over and we'll be focused on the gobblers.

Hope everyone had safe and successful harvests and your freezers are full.

Also, by the time you read this, Bowhunter league will be just days away. Our first night will be Thursday, January 6th at 7:00 pm. Please come out, support the club and enjoy some face time with your fellow archers. Only \$10 for members and \$15 for non-members.

The following week (January 13th) we will have no bowhunter league as we will be preparing for our 3-D at the Deer and Game Expo at the Lancaster Event Center. League will continue on schedule January 20th.

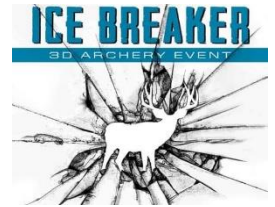

The ice breaker is back !!! On March 27th, we will have our first Ike's Ice Breaker.

Planning to have hot chocolate and cinnamon rolls available along with a warm gathering place.

Looking forward to seeing everyone soon.

Hope your holidays were awesome and that you made great memories that you will cherish forever.

As you give thanks for all your blessings, don't forget to do something kind for someone every day... just because you can.
