## **President's Message**

**by Jim Tubbs**

Although the new member orientation wasn't well attended on Saturday March 20<sup>th</sup>, thank you to those that did attend. In this newsletter is a welcome letter with range rules. This will also be posted at the range.

NASP will be winding down in the middle to the end of May. Current teams will still be practicing at the assigned times and days, so make sure you check the monthly calendar.

3D leagues are over for the year, so this will open up Thursday evenings to members for open shooting. Leagues will begin again at the 1<sup>st</sup> of the year (2022)

Target leagues will continue on Monday nights at 7:00 pm and JOAD will continue with the next session starting on April 13<sup>th</sup> 6:00 pm – 8:30 pm

A few upcoming events – NASP tournament hosted by East High School on April 10<sup>th</sup>, Target tournament hosted by Prairie Bowmen on April 17-18, youth only 3D hosted by Prairie Bowmen on May 8<sup>th</sup>. Danny is also working on an outdoor 3D. Details on this later.

I would encourage members to like our Facebook page, as we update the calendar and provide upcoming events, regularly – Prairie Bowmen Archery- Lincoln.

~~~~~  
Nebraska Deer & Game Expo  
January 15, 16 & 17, 2022  
Lancaster Event Center

For the past 2 years we have hosted a 3D event and NASP booth at the Nebraska Deer & Game Expo. Chris Edwards, who puts this event on has been very gracious to our club, by asking us to be part of this event. This past year, he gave us a larger area, so we could spread out, which was great. For 2022, it's possible that we may have access to a larger area, where we may be able to get a 45 – 50 yard shot, plus have the area to put on a NASP 3D Event. The NASP program has been a huge success and the 3D portion may end up being bigger than the target.

This would be a club event, so we would need to have club members commit to help setup, run it and tear down. Please let me know if this is something you'd like to commit to, so we can make plans to go forward. Chris is doing his best to grow this event with bringing in more vendors, pro shops, etc.

After discussion it was moved and seconded to purchase 9 more Morrill target backers. Motion approved. The current spider webs will be rebuilt one more time and then sold or discarded.

Keep your equipment safe and convenient at the indoor range. Lockers available for only \$50/year. Contact Chris Benson (Secretary/Treasurer) for more information.

## Youth Education Report by Steve Woitaszewski

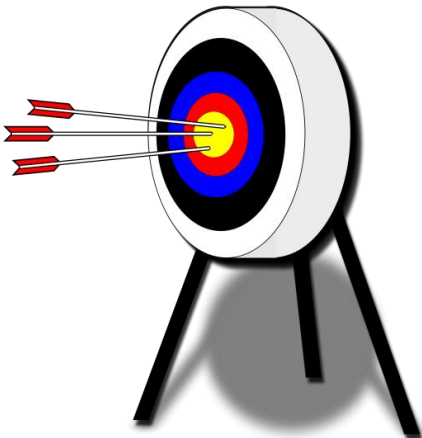

The winter JOAD archery ended March 9th, and the spring session will start Tuesday April 13 and end on June 15. There will be a session starting at 6PM and another starting at 7:30PM. Cost is \$40 for the ten week session. All equipment is provided by the club, but if you have your own bring it. We will help you set your bow up so it is performing for you.

Any questions or if you know of anyone that would like to take part in the next session, give me a call, email or just show up on April 13 at the range. You do not have to be a member of the club to join the JOAD session.

**Reminder:** Per the State Directed Health Measures, please make sure when you are visiting the range to follow all the current guidelines that have been set by the Lincoln Mayor.

We must stay in compliance in order to stay open.

## Bowhunter Report by Danny Tubbs

Hello, turkey hunters.

By the time you see this I'm certain there will already be several awesome harvests

Be sure to send me pics and stories so we can get them on the website and Facebook page.

Thursday, March 18th was the last night of Bowhunter league. Congratulations to Randy Meyer for his 1st place finish in Flight #1 along with the \$25.00 best 3 card hand on the spinning card deck with 3 Aces. Special recognition to Randy for also being the only shooter to attend every night of league. Congratulations to Ryan Bulin for 1st place in Flight #2 and to Dave Standley for 1st in Flight #3. Thanks to all the shooters for your participation in this year's league.

There are currently no plans for Bowhunter league again until next January.

Wes Sheets has made it possible for us to set up outdoor 3-D shoots at Ikes. I will be looking for volunteers for preparation, set up and tear down as the first shoot is tentatively scheduled for late May or early June.

For all you young people, there will be an indoor, Youth Only, 20 target 3-D at Prairie Bowmen Indoor Range on Saturday, May 8th. (See the attached flyer.)

That's all I have for now.

Please keep your eyes peeled for motorcycles as the weather begins to get warmer...look twice, save a life.

As always....do something nice for someone every day....just because you can.
