President's Message

by Jim Tubbs

I hope everyone is staying safe and your turkey seasons are going great. I'm Sure I'm like most folks and can't wait until this pandemic is over and we can get back to normal or the new normal.

If you've been to the indoor range lately, you'll notice a new storefront. The property owner decided to move up her plans for new windows and they were installed last week. It makes the building look amazing. As I'm writing this article, the roof is also being redone. Both of these will make a big difference on utilities.

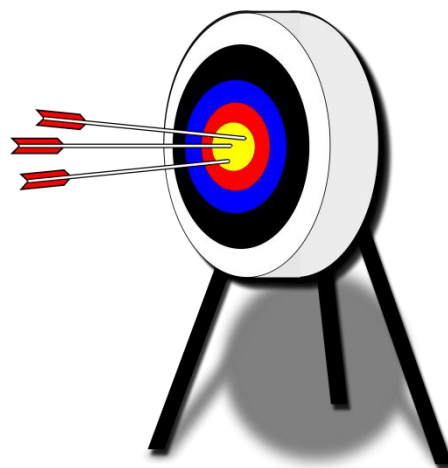

We now have 3 target sponsors at the range and a few more are interested. Blue River Archery, Big Game Conservation Association – Lincoln Chapter and Glass Act Photography are current sponsors. If you are interested or know someone or a business, that would be interested, the cost is \$150.00 plus a 3x4 banner.

As I told you all in the last newsletter, the outdoor range has been sold and the board is in the process of organizing items at the range for sale. As soon as we have made an inventory of items, we plan to have a sale to club members. This most likely won't happen until sometime in June.

The indoor range is still open to members!

Secretary/Treasurer Report **by Chris Benson**

The 4/18/2020 Board meeting was called to order at 12:00 pm at the outdoor range.

Board members present were: Jim Tubbs, Brian Krogman, Steve Woitaszewski, Danny Tubbs, Chad Morgan, Bob Larsen and Chris Benson.

Minutes of the last meeting were read and approved followed by the Treasurer's report.

Bowhunter: No report. The corona virus has the leagues shut down at this time.

Youth: Steve reported the 5 people in the class are continuing, (4 are in one family). July 21st is the scheduled start for the next session.

Rangemaster: Brian has moved the target stands to the parking lot to prevent usage. A couple of crossbow targets have been installed at the indoor range.

Target: Chad reported 5-6 shooters are continuing to shoot on league night.

Communication: Bob reported no problems at this time.

New business: The Nebraska Game & Parks Commission is planning to purchase some of our target stands.

Discussion was held regarding removing all the Club's personal property from the outdoor range. Tentative plans are to possibly have a garage/yard sale for members on a Saturday, then open up to the public on Sunday.

Discussion was held regarding what to do with the proceeds from the sale of the outdoor range. The two basic options are regular CD's or an ICS (Insured Cash Sweep) account at Cornhusker Bank. With the latter, the entire amount will be insured by the FDIC and the funds are completely liquid for our access at any time. It was moved and seconded to place the funds in the ICS account at Cornhusker Bank. The motion was approved unanimously.

New member applications were reviewed and approved for: the Matt Winternheimer family, William Van Setten II family, Ben Woods, Ethan Anderson and Elizabeth Clinger.

The next meeting is scheduled for 12:00 noon on May 16 at the outdoor range.

Respectfully submitted,
Chris Benson
Secretary/Treasurer

Reminder: Per the State Directed Health Measure, please make sure when you are visiting the indoor range that gatherings of 10 or more people are prohibited and practice the required 6' social distancing.
