## **President's Message**

**by Jim Tubbs**

NASP archery season is just about over. We have one more tournament on Saturday morning, May 1<sup>st</sup>, from 8:00 a.m. until 11:30 a.m., and then the Cornhusker State Games, July 17<sup>th</sup>. THANK YOU to all the coaches, student archers and volunteers that made this a great year. Thank you for reaching out to Prairie Bowmen Archery Club for your practices and tournaments.

Danny Tubbs, our Bowhunter Rep., is putting together a Youth Only 3-D for Saturday May 8<sup>th</sup>. I'm sure this will be competitive, as well as exciting and a lot of fun. There will be a NASP class as well as an open class.

Sunday, May 9<sup>th</sup>, the range will be closed from 11:30 am until 3:00 pm. Prairie Bowmen will be hosting an appreciation party/shoot for the NASP kids and coaches that reserved practice times and hosted tournaments this year. They were a great help to us, financially.

June will be a busy month for the club. We are planning a work day on Saturday, June 19<sup>th</sup>, to replace all of the Spiderweb targets. We will definitely need club members help. Anyone that helps for the day can take a target home with them. We'll supply donuts, coffee and juice in the morning and lunch and refreshments in the afternoon. This will be an all day project, so please plan to help, if only for a couple hours. We will start at 8:00a.m.

On the weekend of June 26<sup>th</sup> & 27<sup>th</sup>, we will be hosting our 1<sup>st</sup> outdoor 3-D of the year! This will be held at the Lincoln Izaak Walton Gun Club, 10801 S. 134<sup>th</sup> Street. Approximately 1 mile south of 134<sup>th</sup> & Hwy 34. Danny is in the process of laying out the course, which I'm sure will be challenging as well as fun. Contact Danny if you can help set up and tear down. I'm sure he will need the help!

Thank you to all the board members for all their hard work on running the club. It's not always easy to make 200 plus members happy. Also thank you to all the members that attend leagues and volunteer to help with projects. You all make everything we do, worth it. We have one of the best clubs in the state!

The Covid pandemic has been stressful as times, but we are making it thru it!!

## Youth Education Report by Steve Woitaszewski

The spring JOAD session is going strong. We have 25 in this class with 10 new members for this class. Come join in the fun or if you know of anyone that would like to learn archery have them get with me. My information is on the web site and in the newsletter. Cost is only \$40 for the 10 week session and all equipment is provided by the club. Several of the class members have earned JOAD metals and placed in area shots.

Again because of COVID the range will be closed from 5:30 until 8:30.

## Bowhunter Report by Danny Tubbs

Mark your calendars for June 26th and 27th for our first outdoor shoot at Lincoln Izaak Walton Gun Club (10801 S. 134th St, Bennet, NE). 40 targets. \$15. The current plan for registration is 9am til 4pm on Saturday and 9am til 1pm on Sunday. I will need as much help as I can get on Thursday, Friday and Saturday with set up and registration and on Sunday afternoon for tear down. If anyone has 4 wheelers they can use or loan they will be very helpful. Come help us celebrate a new opportunity for the club and a new opportunity for you.

Young people. See the attached flier for an indoor 3-D created just for you. For all you NASP Shooters it is an opportunity for you to get your feet wet with a new and different shooting venue. For those with their own equipment this should be a fun and challenging opportunity. If you have both, you are welcome to shoot both competitions.

That's all I have for now. As always, do something kind for someone every day....just because you can.
