## President's Message

by Jim Tubbs

By the time you receive this newsletter, the indoor range will look different. All the spider web targets will be replaced with new Morrell targets and new shooting lines will be in place. Thank you in advance to all that helped with this project.

Also our 1<sup>st</sup> 3-D will be at Izaak Walton on June 26 & 27th. Danny and his crew have put a lot of time in this. Come out and have some fun and support the club.

The Cornhusker State Games will be July 17-18th. All indoor target events will be held at Prairie Bowmen this year. The 3-D and outdoor target will still be held at the Outdoor Education Center.

I hope everyone has a Safe and Happy 4<sup>th</sup> of July.

## **Secretary/Treasurer Report**

**by Chris Benson**

The **6/16/2021** Board meeting was called to order at 6:53 pm at the range.

**Board members present were:** Jim Tubbs, Danny Tubbs, Brian Krogman, Steve Woitaszewski, Chad Morgan, Bob Larsen, and Chris Benson.

**Club members present were:** John Elliott, Patrick Sullivan, and Harry Windle.

**Minutes** of the last meeting were read and approved, followed by the Treasurer's report.

**Target:** Current league will continue through July. No plans for August league at this time. The target backers will be replaced this weekend.

**Bowhunter:** Danny inspected the 3-D targets for the upcoming shoot at the Ike's property on July 26 & 27. He is working on some type of "floating target" for that weekend.

He is planning a bowhunter league on Thursday nights starting 7/8/2021.

**Youth:** The last day of JOAD for the current session is 6/22/2021. The next classes start on 7/20/2021. A group of visually impaired will be at the range on 6/30/2021 to experience archery.

**Rangemaster:** This Saturday (6/19/2021) is a work day at the range, work will start at 8:00 am.

**Old Business:** Workday Saturday, coffee and donuts from 7:00 to 8:00am, work starts at 8:00am. Brats, chips and refreshments will be served for lunch. Any helper desiring to have one of the old target backers is welcome to take one.

Reminder of the upcoming 3-D shoot at the Ike's on June 26 & 27.

**New Business:** A celebration of life for Carol Elliott, wife of life member John Elliott, will be held at the range on 7/4/2021 from 2:00 until 4:00pm. Carol passed away in February last year. The range will be closed from about noon until about 5:00pm.

The Nebraska Big Game Conservation Association will be hosting a recruitment night on Tuesday, July 13<sup>th</sup> at the range

An order is being readied for new targets for leagues and JOAD: 40cm FITA (single & 3 spot, & 3-spot vertical), 5-spot FITA and 60cm FITA.

The Board is considering some type of banquet in conjunction with a "grand opening" since the pandemic made that type of gathering impossible last year.

The Cornhusker State Games will be held July 17-18 with the indoor events at our range.

Curtains for the top 4' of our front windows are being reviewed. Janice Tubbs has volunteered to make them. They would cut down on the afternoon glare and also help with air conditioning costs.

**New student membership applications** were received and approved from Brooke Martin and Spencer Lyon.

**The next meeting** is scheduled for July 21<sup>st</sup> at 7:00 pm at the range.

Respectfully submitted,  
Chris Benson  
Secretary/Treasurer

Keep your equipment safe and convenient at the indoor range. Lockers available for only \$50/year. Contact Chris Benson (Secretary/Treasurer) for more information.

## **Youth Education Report** **by Steve Woitaszewski**

The next 10 week session of JOAD will start July 20. We will again be offering 2 class times (6pm & 7:30pm). All classes are open to members and non-members at a cost of \$50 for the ten week session. That's only \$5 per session and all equipment is provided, but if you have your own fill free to bring it.

So if you know of anyone interested in trying archery have them give me a call if they want more information or just show up on July 20th. We have several adults and couples that are shooting along with the kids, so come join the fun on Tuesday evenings. Kids have to be 8 years old and older to take the class. My contact information is in the newsletter.

## **Bowhunter Report** **by Danny Tubbs**

Hope everyone is reading this in a cool and comfortable place. Summer is hitting us hard early this year.

I am excited to be providing a different opportunity for some new scenery with our 3-D at Izaak Walton on the 26th and 27th, thanks to Wes Sheets who wrangled this spot for us. Trying my best to provide a quality shoot without making things too complicated or difficult.

Also, please take the opportunity to go out and support the other clubs in the area by participating in 3-D shoots. It's a lot of work and your support is greatly appreciated.

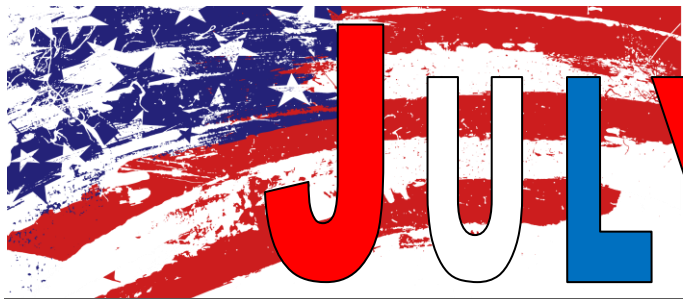

Although I have not received any feedback, I will be initiating a modified 2D/3D Bowhunter league that will be starting on Thursday, July 8th at 7pm. Cost will be \$5 and we will shoot 20 shots. This is a great opportunity to hang out with some friends and get out of the heat for a little bit. I will be setting up for the first three weeks in July. If participation doesn't reach a worthwhile level the league will be cancelled and we will try again in January.

Looking for a good date to put on another 'Youth Only' 3-D after school starts and the kids get their skills sharpened up. We will also be scheduling an official NASP 3-D sometime in the fall. The following individuals have medals from the Youth Only 3-D.

Buddy Otto  
Danny Harris  
Sheyenne Kobler  
William Heggeman  
Beau Mittan  
Aiden Mach  
Tanner Grosse

Please contact me so I can make arrangements to get these to you.
