President's Message

by Jim Tubbs

Merry Christmas to Everyone

I hope everyone has a Safe and Merry Christmas this year. This has been such a strange and unpredictable year in these COVID times!

Thanks to all that helped rebuild targets, clean the range (for upcoming tournaments) and finish the Memorial wall on the weekend of November 14-15. Everything looks great. We have gotten many compliments!

In the next week or so, a number of high schools will be renting space to practicing NASP at the range. During the times they are there, please be respectful of them. They will be shooting on lanes 1-17. Club members will always have lanes 18-23 to shoot on. As soon as I know all of the times, I will post them. As of now, East High will be there on Mondays from 3:30 pm – 5:30 pm., Southeast, Southwest on Wednesdays from 5:00 pm – 8:00 pm, North Star on Thursdays from 4:00 pm – 6:00 pm and Pius on Sundays (after the 1st of the year) from 4:00 – 6:00 pm. This will be a big boost in income and we have already gained memberships from this.

Lastly, If you are the last to leave the range, please make sure that **ALL** lights are turned off. This includes the restroom and kitchen area.

Again, I hope everyone has a great Christmas. Be SAFE!

Secretary/Treasurer Report **by Chris Benson**

The 11/18/2020 Board meeting was called to order at 7:00 pm at the range.

Board members present were: Jim Tubbs, Steve Woitaszewski, Brian Krogman, Chad Morgan, Bob Larsen and Chris Benson.

Club members present were: John Filsinger, Patrick Sullivan, and Harry Windle.

Minutes of the last meeting were read and approved, followed by the Treasurer's report.

Bowhunter: Danny was unable to attend the meeting, but sent a message he's trying to organize a novelty shoot for January 2nd. He'd like something unusual, details will follow. He's looking to start leagues January 7th. COVID restrictions may determine the schedule and requirements.

Target: Chad mentioned this coming weekend's 450 shoot at the range. Lines will be on Saturday and Sunday, and there is also the State Presidents/Secretary's meeting to determine schedules for next year.

December 4, 5 & 6 we will host the NFAA Indoor National Virtual Tournament.

The Prairie Bowmen "Cornhusker Shootout" will be held on December 12 & 13. Donations have been received including a free youth lifetime hunting permit. Plans are to award prizes to each division with at least 3 participants.

Chad is planning to continue weekly leagues until May.

Rangemaster: Brian noted the good work day on November 14th. The range is in good shape.

Communication: Bob reported things are going well. When people are joining or paying dues on line, they need to fill out the application and hit "submit" before paying. Failure to do this gives us only the amount paid and a name, no other information.

Youth: Steve said the Tuesday night classes are going well, even with the virus. Steve has also negotiated the payment split with Southeast Community College.

Old Business: The 3 new Morrell targets have been received.

Jim has been meeting with NASP coaches who are interested in having their practices at our range. To date, three have joined. Students will pay \$5 each week.

New Business: We have been asked to host the Indoor Midwest Sectionals in February..

New member applications were received from: Kimberly Alfred, Ryan Keller, Bob Bruner, Janice Hueske, and families of Ray Madison, Wade Kendle and Casey Janssen.

The next meeting is scheduled for December 16, 7:00 pm at the range.

Respectfully submitted,
Chris Benson
Secretary/Treasurer

Youth Education Report by Steve Woitaszewski

The Tuesday night archery class is going strong. We have to run two lines for both time slots at 6 & 7:30. This 10 week session will end December 29 and the next session will start January 5. Come in and join the fun. All must wear masks at all times except while shooting and shooters are placed 6 feet apart while on the line. Moms and Dads are also spaced 6 feet apart and all wear masks and all equipment is disinfected between classes.

On another note if you tagged a nice buck and would like it scored give me a call to get it scored. I'm an official measurer for P&Y and B&C.

Bowhunter Report by Danny Tubbs

Hope this newsletter finds you all safe and healthy. Current plans are to have a novelty shoot on Sunday, January 3rd. This will be a compilation of fun, unusual and challenging shots to test your skills. Working on scoring and prizes for this event. First night of Bowhunter league is tentatively scheduled for Thursday, January 7th. Hope to see a good crowd. We will discuss a money pool for those that wish to participate. There is an \$18.00 carry over from last year that will be added.

COVID mandates will be monitored and the event dates could be rescheduled. Keep an eye to the website and Facebook page for updates.

All you hunters out there, please contact a board member about posting your harvests on the website and Facebook. We would love to hear your stories also.

Thanksgiving will have come and gone by the time you read this, hope it was safe and satisfying and wishing you a Merry Christmas.

As always, do something nice for someone every day.....just because you can.

Our members have worked very hard to provide a Safe, Clean and Enjoyable environment for our sport. Help keep our range clean and targets in great shape. Reminder: Broadhead arrows are not allowed at our indoor range.
