President's Message

by Jim Tubbs

Not much to report this month, as we have slowed down a bit, which is nice, once in a while.

We are continuing to make the range better for all and should be done around the end of June.

Next up for the club is hosting the Cornhusker State Games, July 15-17.

Jim Tubbs

We still have some Prairie Bowmen tumblers. \$20 each.

Please let Jim know if you are interested.

We are still expecting parking lot/sidewalk repairs to be happening at some point.

Secretary/Treasurer Report

by Chris Benson

The May 18, 2022 Board meeting was called to order at 7:05pm at the range.

Board members present: Jim Tubbs, Danny Tubbs, Steve Woitaszewski, Harry Windle, Kelly Slama, and Chris Benson

Club members present: Patrick Sullivan

Minutes of the last meeting were read and approved, followed by the Treasurer's report.

Target: Chad was out of town. Jim reported the target league is continuing with 10-14 shooters.

Bowhunter: Danny will start working soon on clearing 30 lanes on the Ike's property for the upcoming 3-D portion of the State Games on July 16th. He plans to start a 2-D, 3-D league on June 23rd at our range. He brought up the need to purchase some inserts needed for some of our targets.

Youth: Steve has 27 shooters in the current class, with more likely to join. June 21st will be the last night of the current session, the next one will start July 19th. He will be ordering some needed arrow rests for the recurve bows.

Rangemaster: Harry said work is progressing on the restroom remodel. Plans are to have it finished prior to the State Games. The bad spots on the range floor should also be repaired by then.

Correspondence: Kelly reported no problems at this time.

Old Business: Time permitting, the heat duct extensions should be done by the time of the State Games. We buy most materials at Menards and their inventory of ductwork parts is low.

Kelly is getting close to a final design for club business cards and should have it by the next meeting.

Repair on the worst target butts should be done for the State Games if time allows.

Sale of tumblers with the club logo is progressing well with only about 15 left.

New Business: New application was read and approved for returning member Cassia Ruhl.

The board is still discussing design for a couple of the "adversail" banners. The price is around \$235 each, depending on size, including the base.

A club member approached the board to see if we would allow members to advertise items for sale in the newsletter. The board approved, as long as the items are archery related.

The next meeting is scheduled for June 15th, 2022 at 7:00 pm at the range.

Respectfully submitted,
Chris Benson
Secretary/Treasurer

This session of JOAD, we have 27 attending. A third are adults, with 5 more starting in two weeks.

This session ends June 21 and the summer session will start on July 19. Cost is still the same \$50 for the 10 weeks or \$40 if you are a club member.

With the hot days coming this summer, plan on shooting and learning some archery on Tuesday evenings and having a lot of fun at the same time.

Any questions, my contact information is in this newsletter and on the club's web site.

Have a great summer and hope to see you at the range.
