President's Message

by Jim Tubbs

Congratulations to the Prairie Bowmen board members that were re-elected to another 2-year term on the board. Danny Tubbs - Bowhunter rep, Chris Benson - Secretary/Treasurer and Jim Tubbs - President. We all agreed that we would run for our last term, in hopes of finding some younger members to take over these positions in the next 2 years.

Our club seems to have the same problems as other clubs do, and that is finding young folks to step up to fill the board positions. So, talking at our board meeting tonight, we were wondering what would it take to get younger members more involved? And I'm not taking just board positions. Target league & 3D league. Do you feel intimidated shooting with others? We have a great group of people with a lot of knowledge shooting leagues. Most are willing to help out if you have questions or need help setting up your equipment. Stop out, ask questions, and have some fun. If you have any ideas for us, please let us know. We are also kicking around the idea of having some fun nights, to try and get more members involved. We have a great JOAD program on Tuesday nights, where for \$5.00 per session the instructors will teach you the proper techniques in shooting. I believe that we have 30 plus students, from 8 years old on up.

A big shout out to Bob Bruner and John Gerber on putting on a great Cornhole tournament on Black Friday. Although we only had 8 teams, all had fun. We are looking at doing another in April or May. Also, thanks to Chad Morgan for the TV for the game and to Dave for setting up his satellite dish for the game.

Thank you to all of the volunteers that came out to the work day on Saturday. We got a lot done and are now ready for target season. Danny also did inventory on 3D's and we'll be ready for indoor 3D league as well as outdoor 3D season.

We also have a new registration area, which will help with less congestion during tournaments. Thank you to Harry Windle for building a nice desk.

Lastly, thank you to the retired guys that shoot every morning, for taking to time to reroute some heat ducts. This should help with our heat and air conditioning bills as well as circulating the air better.

Also please like our Facebook page and read your newsletter. This is where you'll find what is going on at the club.

Youth Education Report by Steve Woitaszewski

The last day of this session will be December 22 and we will start another session on January 10. We offer two sessions on Tuesday evenings starting at 6PM and 7:30PM. The last day of each session is a fun day. Instead of targets we will have balloons, clay targets, pop cans, and many other items to shoot at. Also during each session, we hold two JOAD pin shoots for those USA JOAD members.

We always have room for more shooters, so come join the fun all ages are welcome. If not this session, start off 2023 on January 10. Cost is only \$40 for members and \$50 non-members for the full ten weeks, and all equipment is provided if needed.

If you are one to take down a deer this season and need it scored get with me and get it scored. I'm a P&Y and B&C measurer. Also, this score can be turned into the club for one of the club's big game reconnections.

Bowhunter Rep Report by Danny Tubbs

I reckon that now that rifle season is over many of you are back in your stands and blinds. Good luck to all of you and don't take any shortcuts with safety.

Bowhunter league is just a little more than a month away. I hope to see good crowds this year, members and non-members. Set up will start at 6:30 with shooting at 7. The more help I get for set up the less delay we will have.

Looking forward to a fun shoot at the Expo in January. With all the positive and negative feedback we've received, this will be our best year.

We are planning outdoor 3D's in May, June, July and August this year at Ike's. Again, with the positive and negative feedback we are learning a lot about what you want and how to make good use of the property. Big thanks to Ike's for their generosity.

Hope the new year brings all good things and puts opportunities in your path to do something kind for someone else every day.....just because you can.

Steve Woitaszewski is an official Pope and Young & Bone and Crocket measurer. If anyone needs to have their trophy scored, contact him.
