President's Message

by Jim Tubbs

Another year has passed for Prairie Bowmen Archery Club. I hope what we have done with the range and the club, as a whole, has made this a club that you can be proud of. We try every day to make it a better place.

This coming year we will again be busy hosting tournaments and are the site for the high schools to practice archery with the NASP program. We will again be the host site for 4-5 NASP archery tournaments, the Indoor Midwest Sectionals, the Cornhusker State Games, as well as target and 3D leagues and JOAD Classes. All of these things help us pay the bills and promote the sport of ARCHERY.

In the past year we have been able to rebuild all of the targets at the range. I'd like to THANK everyone that has helped out, not just with this, but any help you have provided throughout the past year. By the time you receive this newsletter, you will notice the floor has been repainted and new shooting lines applied. We also had a 55" TV donated by Chad Morgan, which will be on the west wall above the new registration desk that Harry Windle built. This area will relieve the congestion at the door and be a bit warmer for those doing registration. We have also rerouted a couple heat ducts, so we now have heat at the front (spectator) area of the range. If you can think of any other improvements, you'd like to see, please let the board know.

Again this year, we are hosting the NASP 3D and well as the regular 3D at the Deer and Game Expo on January 20th -22nd. We could use help setting up on the 19th and tearing down on the 22nd. If you like to help, please let me know. For all those shooting the regular 3D this year, in addition to the nice plaques provided, each winner will receive a \$25.00 gift card from Scheels and anyone who shoots, will have their name entered in a drawing for a chance to receive a \$500.00 gift card from Scheels.

I know that not everyone is on Facebook, but if you are, please like our page, as we do put upcoming events as well as any changes the club may have.

I hope that you all had a great 2022, a Merry Christmas and a Safe and Happy New Year! We are in the planning stages of putting together a banquet for ALL club members on Saturday February 18th. More information will be coming, as to the time, etc.

Lastly, I'd like to thank all the Mentors that spent countless hours taking kids hunting this year. Lincoln, Grand Island and Omaha Mentors do an outstanding job.

Bowhunter Rep Report by Danny Tubbs

Bowhunter league will begin on schedule on Thursday, January 5th. Hope to see a good crowd to start off the new year.

January 20, 21, & 22, come shoot the 3D at the event center while you enjoy the displays and the unique vendors. There may be a challenging dollar shot if I can get it ready.

Kids, there will be a NASP 3D this year along with the regular target competition. Come shoot and enjoy this rapidly growing competition.

Looking forward to the shoots we will be putting on at lkes this year. Learning more with each shoot.

Hope everyone had awesome harvests and were able to spend time with loved ones over the Christmas Holiday.

Don't forget.....do something kind for someone every day just because you can.

Youth Education Report by Steve Woitaszewski

The next JOAD/archery class will start on January 10, 2023.

We'll be offering two classes each Tuesday evening with one starting at 6PM and the other starting at 7:30PM. The club supplies all the archery equipment need, but if you have your own, please bring it.

The class is open to all 8 years old and up, and I mean up. We have quite a few adults in the class along with the kids. The session is 10 weeks and the cost is \$50 for non-members and \$40 for PB members.

Just show up on January 10th and sign up. If you can get there a little early, especially the first night, to get registered that will help us get started on time.

Any questions, please get back with me. My contact information is in the newsletter and on the club's website.
