President's Message

by Jim Tubbs

The last NASP archery tournament for the year, was held on Saturday April 22nd. 122 archers competed. A couple schools are still practicing for another week or 2, getting ready for Nationals. Thank you to all that made this year a success and good luck to those headed to Nationals.

Just a reminder that we are hosting a CPR/First aid/AED class on Saturday May 13th. Cost is \$60.00 per person. Class starts at 9:30 am and will run 3-4 hours. If you'd like to sign up, please give me a call at 402-430-7783. I'd like to get a head count.

3D season starts with the club this month. We have three 3D's this month. We can always use help setting up, tearing down and maintaining lanes.

Hope to see you all at the shoots!

Jim Tubbs

Secretary/Treasurer Report

by Chris Benson

The April 19th Board meeting was called to order at 7:05pm at the range.

Board members present: Jim Tubbs, Danny Tubbs, Harry Windle, Steve Woitaszewski, Kelly Slama and Chris Benson

Club members present: Caughlin Bohn and Patrick Sullivan

Minutes of the last meeting were read and approved, followed by the Treasurer's report.

Target: League continues on Monday evenings. A shoot-off is planned for next week.

Bowhunter: Danny has a list of our current inventory of 3-D animals. Forty-one are usable for our first shoot.

Youth: Steve reported the current session has 44 shooters, 15 of them are new.

Rangemaster: Harry has contacted waste management in Lincoln regarding disposal of the old fluorescent bulbs. He also reported the roofing contractor has resprayed the roof, this should stop the leaks that have developed.

Old Business: Danny prepared a list of needed replacement 3-D targets and inserts. These will be ordered soon.

Two adversals have been purchased. These will be flown at the range during shoots, and also at the Ike's during our 3-D shoots.

A riding lawn mower from Brodd's Small Engine Repair has been donated the club in exchange for us providing and displaying a banner for him at the range.

The range has been rented for a private party on May 20th from noon until 4:00.

CPR, First-aid and AED classes will be held at the range on Saturday May 13th starting at 10:00 am. Cost is \$60 per person. Pulse finders will be putting on the classes.

New Business: A work weekend is scheduled at the Ike's on May 20th and 21st. The first 3-D will be held there on May 27th and 28th.

Club member Arlie Elsasser would like to become a USA Archery level 2 instructor. It was agreed the Club would pay for the instruction.

Discussion was held regarding the need for a better vacuum cleaner for the range. It was moved and seconded to go ahead with purchasing one. Motion carried.

New member applications were read and approved for: Shawn Powell, student Ryan Nemec, and the Michelle Garrison family.

The next Board meeting is scheduled for May 17th at 7:00 pm at the range.

Respectfully submitted,
Chris Benson
Secretary/Treasurer

Bowhunter Rep Report

Getting ready for work days coming up in preparation for this year's first 3D, May 27th and 28th at Ike's.

Workdays for this event will be the previous weekend, May 20th and 21st.

Mowers, weed eaters, loppers, tree saws, pruners, small sledges, and anything else you have will be helpful.

Your assistance and your ideas and input are always welcome and appreciated. It's a lot of work to put a 3D together. Hope to see several of you there.

With the temperatures higher many people will be outside doing different activities. Perfect opportunities to do something kind for someone.....just because you can.

Youth Education Report

by Steve Woitaszewski

The spring JOAD archery class is in full swing. We've completed two weeks for the ten week session already, but we always have room for one more.

For this session we have 45 total participants taking part in the two classes offered each Tuesday evening at 6PM and 7:30PM. There will not be a session on May 23 but we'll still have a ten week session, to many coaches gone that week. The next session will start July 11th.

Of the 45 participants in this session 13 are new to archery. If you know of someone that would like to try archery, take them under your wing or send them over to the JOAD class, and take a new archer bowhunting.
