President's Message

by Jim Tubbs

NASP is over for the year, except for the State Games! Thank you again for all the coaches, student archers and parents that support the program and Prairie Bowmen Archery Club! Looking forward to next year!

We have a busy summer coming up. By the time you get this newsletter, the Ikes workday and our 1st 3D will be over. We do have a fun shoot at Ikes on June 25th, the State Games 3D on July 30th and our last 3D of the year on August 27th. All of our 3D's will be held at Ikes. We are in the process of making this year the best yet.

Target events for the State Games will be held on the weekend of July 22-23. It will be a full weekend! New this year, we have added an F/H/A round in Grand Island on Sunday, July 16th.

On May 13th, 7 club members took a CPR/First-aid and AED class. Thank you all for doing this.

If you have any suggestions or ideas you'd like to see, please let us know.

Secretary/Treasurer Report

by Chris Benson

The May 17th Board meeting was called to order at 7:00pm at the range.

Board members present: Jim Tubbs, Chad Morgan, Steve Woitaszewski, Harry Windle, Kelly Slama, Danny Tubbs and Chris Benson

Club members present: John Filsinger, Brian Krogman, Caughlin Bohn and Patrick Sullivan

Minutes of the last meeting were read and approved, followed by the Treasurer's report.

Target: League continues, the number of participants has been declining somewhat.

Bowhunter: Danny has purchased a mower to be used to mow the shooting lanes at the Ike's.

Youth: The current class session will end on June 20th. The next one will commence on July 18th.

Rangemaster: The range is in good shape. A small leak in one restroom will be fixed soon.

Old Business: 3-D targets and inserts have been ordered. Total cost will be just over \$4,300.

The recently purchased tumblers have been selling well.

We had seven members take the CPR class held at the range on May 13th. The Board is working toward purchasing an AED for the range.

There will be a private party at the range this Saturday the 20th from 1:00 - 5:00 pm so the range will be closed during those hours.

A new vacuum cleaner has been purchased.

New Business: Danny has scheduled work days this coming weekend (May 20 & 21) at the Ike's property to get prepared for the upcoming 3-D being held the following weekend.

A work day will be scheduled soon for the indoor range in preparation for the upcoming State Games.

The recently purchased trailer for the 3-D targets will be licensed soon.

A \$100 donation was received from Ralph Langemeier as a memorial for Loretta and Rex Sheets. The Board would like to apply this to the cost of an AED for the range.

New member applications were read and approved for: Kevin Dutra and student John Pham.

The next Board meeting is scheduled for June 14th at 7:00 pm at the range.

Respectfully submitted,
Chris Benson
Secretary/Treasurer

Bowhunter Rep Report

Hope everyone's had opportunities to get out and enjoy the awesome spring weather.

Finished up our first 3D of the year today. Lots of good comments and feedback. Also, a potential safety problem pointed out and corrected. Thank you, Bob.

Planning a 20 target fun shoot for late June. Still working out the details. Watch the website and Facebook for more info.

Still searching for club members ready to mentor with current board members in preparation for upcoming elections. Need some serious torch carriers that can continue to champion our sport for future generations. If there is a board position you are interested in running for, please talk to the current board member in that position.

Members....be sure to get your deer racks measured and your turkeys scored for the club's annual awards. Now that we actually have an indoor range and the co-vid scare is pretty much behind us, we will be back to having annual banquets.

Remember....do something kind for someone every day.....just because you can.

This JOAD session will end on June 20 and the next session will start on July 18.
