### President's Message

by Jim Tubbs

The 39th Annual Cornhusker State Games has come to a close. We had a great couple weeks. This past Sunday we had 50 shooters for the 3D at Izaak Walton. The week prior we had 76 archers shoot the 450 Fita round and 84 Student archers shot the NASP 3D & target. All in all, a couple good weeks!

Due to an unseen number of conflicts, we wanted to give you plenty of notice that our 3D scheduled for August 26-27 is being canceled. The biggest reason being most, if not all of our setup crew and maintenance folks, will not be around to help, due to other commitments or work schedules. We hated to do this, but we don't have much choice.

Target league is still going every Monday night and all are welcome to come and participate. Pronghorn, deer and turkey seasons are just around the corner. Good luck to everyone.

Jim Tubbs

## Secretary/Treasurer Report

by Chris Benson

The July 19<sup>th</sup> Board meeting was called to order at 7:00pm at the range.

**Board members present:** Jim Tubbs, Steve Woitaszewski, Harry Windle, Kelly Slama and Chris Benson

**Club members present:** Brian Krogman, Wes Sheets and Patrick Sullivan

**Minutes** of the last meeting were read and approved, followed by the Treasurer's report.

**Target:** Brian reported a busy weekend coming this week with the Cornhusker State Games. NASP will be held in the morning and the Games in the afternoon.

**Bowhunter:** Danny has been working at the Ike's for the upcoming Games on July 30.

**Youth:** Steve reported the current session of JOAD started this week with 33 shooters, 8 of which were new. He believes more will show up later. Steve and Harry have recently repaired a couple of the targets.

**Rangemaster:** Harry has been spending time cutting weeds and sprucing up the range for the upcoming Games.

**Old Business:** We still have tumblers to sell and expect to sell some at the Games.

Some discussion was held regarding the club's big game awards. These haven't been awarded in recent years due to the fact members haven't been reporting their success. Plans are to try to revive member interest in these awards.

Jim will try to get the trailer licensed soon.

### **New Business:**

**New member applications** were read and approved for the Joshua Christolear family and for student Olivia Burns.

Danny would like members to help Saturday the 29<sup>th</sup> to set up for the State Games 3D on the 30<sup>th</sup>. Work should be done around noon to 1:00, breakfast will be provided.

**The next meeting** is scheduled for August 16<sup>th</sup> at 7:00pm at the range.

Respectfully submitted,

Chris Benson  
Secretary/Treasurer

## **Bowhunter Rep Report**

**by Danny Tubbs**

Hey, everybody.

Hope you're all finding ways to stay cool or ways to enjoy the heat.

The State Games shoot is in the books. Lots of positive feedback and compliments.

Thank you to all that helped with Saturday's final set up and again for Sunday's tear down. It was a little touch and go after that huge storm Saturday, but everything dried up enough to get everyone through safely and Sunday was a gorgeous day.

Thank you to the Carmin family for their participation and dedication to this event.

Well, due to several complications surrounding the August shoot date, we will be canceling the shoot. I apologize if this is an inconvenience for anyone.

Only 1 month til deer season. Make sure you are sighting for broadheads and make sure they're sharp. Good luck with your harvests. If you plan to be in a tree, make safety your priority and be certain your fall protection is in good working condition.

Pretty light schedule for me now until league and the Expo in January. Until then, I'll be looking for opportunities to do something kind for someone else every day.... just because I can.

## **Youth Education Report**

**by Steve Woitaszewski**

A new ten-week session started on July 18. There is still time to get signed up, so if you know of anyone interested have them show up Tuesday evening.

The club offers two classes, one starting at 6PM and another starting at 7:30PM. This is always our slower session, so we have openings and more openings at 6PM than 7:30PM. As always, all equipment is provided if needed, but if you have your own, bring it.

**The club is bringing back the Big Game award, so if you harvested a turkey or anything this fall get with Steve W to have it scored.**

**The big game plaques are located on the South wall in the range. Winners will have their name placed on the plaque & you will also receive an award.**

**Any questions, please contact Steve W.**
