President's Message

by Jim Tubbs

Congratulations to Kelly Slama, Harry Windle & Steve Woitaszewski for being re-elected to the board of directors. Also, congratulations to Brian Krogman for being elected as the new target rep. Thank you to all that took the time to vote. A big thank you to Chad Morgan for the years on the board.

Congratulations to club member John Gerber for going to Yankton and taking the 3 day class to become a NASP Trainer (BAIT).

We had a good turn out on our workday, repairing the target butts. We are now ready for the target season!

We didn't have a great turn out for the potluck on the 18th, but those that came, had great conversation and as usual, the food was great!

We will be having a busy 2024, hosting multiple target & 3D tournaments. Keep an eye on the calendar for upcoming dates.

Hope you all have a VERY MERRY CHRISTMAS & A SAFE AND HAPPY NEW YEAR!

Secretary/Treasurer Report

by Chris Benson

The 11/16/2023 Board meeting was called to order at 7:00pm at the range.

Board members present: Jim Tubbs, Harry Windle, Kelly Slama, and Chris Benson

Club members present: Wes Sheets, Patrick Sullivan, and Brian Krogman

Minutes of the last meeting were read and approved, followed by the Treasurer's report.

Bowhunter: Jim said it was time to start thinking about the May shoot at the Turpin Outdoor Education Center.

Youth: Harry reported there are 54 shooters signed up for this session of JOAD.

Rangemaster: Harry reported 5 target backers were repaired on the work day. Spots in the carpet have been cleaned. He plans to paint the bow racks prior to the NASP tournament.

Old Business: Target material was purchased and used to repair 5 target backers.

It is time to start preparing for the Deer and Big Game Expo. 84 Lumber has again graciously agreed to furnish us with the sheets of OSB board to cover the walls of our shooting areas. The NASP area will again be used. Last year there were a good number of kids who participated.

New Business:

The election ballots were opened. Harry Windle and Kelly Slama were reelected, and Brian Krogman will serve as Target representative.

The Cornhole Tournament will once again be held at the range on Black Friday. There will be a TV there for the Husker game.

The Cornhusker Shootout will be held on December 2nd & 3rd.

Our banquet club meeting will be held this Saturday, 11/18/2023.

Jim will report on the shoots at our range for 2024 after the State meeting this Sunday in Grand Island.

There will be a private birthday party at the range this Sunday from 1:00 until 2:00.

A new member application was read and approved for Logan Otto.

The next Board meeting is scheduled for December 20th at 7:00pm at the range.

Respectfully submitted,

Chris Benson
Secretary/Treasurer

Bowhunter Rep Report

by Danny Tubbs

Hope everybody had a safe and pleasant Thanksgiving.

3D's are loaded in the trailer in preparation for the upcoming shoot at the expo. Looking forward to an awesome event.

Over the next few weeks, I will be assembling additional items for the expo as well as preparing stands and animals for the first night of Bowhunter league on January 4th.

Thank you to the members who stepped up and filled board positions. Please take the time to meet as many board members as possible and thank them for all they do. Please thank Brian for accepting the Target Rep position.

It's official. May 4th & 5th are the dates of our first outdoor Line Shoot 3D to be held at the Turpin Outdoor Education Center American Range. Please give these dates priority on your shooting calendar. Can't wait for this new format.

Just a reminder...the target frames are designed to hold 4 targets. Please use one of the 4 quarters and don't shoot the centers of the targets. Shooting the centers wears the targets out much faster.

With all the time you'll be out and about this Holiday Season there will be lots of opportunities to do something kind for someone every day....just because you can.

Youth Education Report

by Steve Woitaszewski

The last day for this JOAD session is December 19th. The next session will start January 9th and end March 12th. Cost and time are the same for the next session.

This session had a record number of attendees, 54 total. We had to run double lines several of the days.

Halloween was a Tuesday this year and the coaches and some of the kids were dressed up for the night. The class was smaller than normal, but we all had a great time. Just a few pics from that night for all to enjoy.

On another note, those members that shot anything this season, please get with me so we can get listed into the club records and recorded on the plaque on the south wall at the range. It doesn't cost anything.
