### President's Message

by Jim Tubbs

Another Nebraska Deer & Game Expo has come and gone. Numbers were down a bit from last year, but whenever you have 150 archers shoot your 3D, that's great. We also had 75 school age kids from the 4th thru 12 grade shoot the NASP 3D. So, all in all, we had a great weekend. The Expo seems to be growing a little every year.

A huge thank you to all that helped set up, run the shoots and tear down. This is a lot of work and is much appreciated. This is also one of our largest fund raisers of the year. Next year's dates are January 17, 18, 19, 20, 2025.

Our 1st NASP tournament was this past weekend, January 27th, with 164 student archers. The next shoot is Saturday, February 3<sup>rd</sup>, which will be the South Lincoln Archery NASP shoot. February 17 will be the Blessed Sacrament NASP Tournament.

We will also be hosting our annual President's Day Shoot on February 18th and on March 9-10 the State Indoor Target Tournament.

Target and 3D leagues seem to be going good. We always have room for more shooters! Good luck to all the club members going to Vegas this week!

# Secretary/Treasurer Report

by Chris Benson

The 1/15/2024 Board meeting was called to order at 5:45pm at the range.

**Board members present:** Jim Tubbs, Harry Windle, Steve Woitaszewski, Kelly Slama, Brian Krogman, and Chris Benson

**Minutes** of the last meeting were read and approved, followed by the Treasurer's report.

**Target:** Brian reported the Monday night league continues. Last week there were 9 or 10 shooters. The bad weather lately has attendance down.

**Bowhunter:** The first night of league had 27 shooters. Due to the weather the last night had 17 shooters.

**Youth:** Steve reported the current JOAD session started on January 9th with 21 shooters. Attendance was likely down due to the weather. 12 shooters signed up through SCC.

**Rangemaster:** Harry purchased a guard to protect our glass front door. He also has painted the bow racks to make them stand out to prevent people from running into them when the range is busy.

**Old Business:** To date no club member has submitted an entry for our big game awards.

The license for the club's trailer has been purchased.

Material for the NASP targets has been ordered.

Jim has printed 400 scorecards for this weekend's Deer and Big Game Expo at the Events Center.

The tournaments for the NASP shooters have been set. The first one on January 27th, next is February 3rd, and last is February 27th.

Club members remember the NASP shooters use lanes 1-16. Lanes 17-22 are available for members during those times, but they MUST follow the whistle commands for the NASP shooters.

Board meetings are moved to Mondays at 5:30 pm through May.

## **New Business:**

**New member applications** were read and approved for: Cole Bohrer and Colby Cockle, Student member Chelsey Brennforder, and the Matthew Haupt, Joey Koch, Todd Hoffart, Nathan Gifford, Cody McKenny, and Matt Peterson families.

Our landlord was unable to attend, so Jim and Chris will arrange a meeting with her soon to discuss a new lease for the range as we are now in year 4 of a 5 year lease.

**The next Board meeting** is scheduled for February 12<sup>th</sup> at 5:30pm at the range.

Respectfully submitted,

Chris Benson  
Secretary/Treasurer

## Bowhunter Rep Report

by Danny Tubbs

Greetings again fellow Archers.

This year's Bowhunter League started off with a bang and is going strong. Getting some new faces that are just being introduced to indoor 3D and many familiar faces that are going out of their way to help the new guys figure out the routine.

Been getting help for set up and tear down from many of the participants that is extremely helpful and very much appreciated.

Congratulations if you are a winner from this year's expo 3D shoot, and if you're not, thank you for your participation. I hope you all had fun.

Check out the flier for our first 3D in May. It should be a fun event. I will have more information as we get closer to the date. Please feel free to ask questions and give suggestions.

Til next month, look for your opportunity to do something kind for someone every day... just because you can.

## Youth Education Report

by Steve Waitaszewski

The first JOAD session for 2024 is off and running.

The first week was a little slow because of the weather, but week two was up and running on schedule.

There is room for more if you know of anyone wanting to pick up a bow and try archery or clean up your shooting form. The 6PM line definitely has some room.

Cost for the ten-week class is only \$50. That's only \$5 a night and the club will supply equipment if needed.
