### President's Message

by Jim Tubbs

NASP Tournaments at the range are officially over, but we still have practices on Wednesday evening, Thursday afternoon and Sunday afternoons. Thanks to all involved in continuing to grow this sport.

This past weekend, NASP Western Regionals were held in North Platte. We had over 300 kids participate in the IBO 3D challenge and the NASP Bullseye. It was a fun weekend and continues to grow.

We will be hosting the NSAA State Indoor Target Tournament on March 9-10. The range will be closed for this.

When you are shooting at the range, please be courteous of other members. Also, make sure the lights are off if you are the last to leave the range and make sure you put items back where you found them – floor quivers, chairs, bow racks, and put your trash in the trash cans.

The small NASP targets on the north wall are only to be used for NASP. NO bow over 20 pounds is to be used on them, as they cannot handle the high poundage.

This weekend, many of us will be migrating to Kearney, along with the cranes, for the annual NBA Banquet. Hope to see many of you there.

Jim Tubbs

## Bowhunter Rep Report

by Danny Tubbs

At the writing of this article, only 3 more regular weeks of Bowhunter league, then the flighted final on March 21<sup>st</sup> with awards for 1st and 2nd in each flight.

Only 3 scores are required to qualify for flighting in the final. You do not need to qualify for flighting.

To participate in the shoot, as always, league is open to all shooters.

The final will be 20 targets and 2 bonus shots. We will count 11's.

I will be cooking hot dogs (something fancy) and there will be chips, cookies, and brownies. Drinks will be up to you.

League has been great this year with an average of 22 shooters. Let's keep it going and have an awesome final.

Also, be on the lookout for opportunities to do something kind for someone else every day... just because you can.

## Youth Education Report

by Steve Waitaszewski

Only 4 weeks left of the first JOAD session for 2024. This session will end on March 12th and the next session will start up again on April 9th.

Class is Tuesday evenings with two sessions each evening. The first starting at 6pm and the other starting at 7:30pm. The class is open to everyone eight years old and up.

The classes are mostly youth, but we do have several adults in in each class. If you know of anyone interested in taking the class, just show up on Tuesday or start up on April 9th.

We have several NASP kids in the class wanting to receive extra practice and coaching and are doing very well at the NASP tournaments. Need more information just give me a text or a call.
