President's Message

by Jim Tubbs

I want to personally thank Danny and his set up crew for busting their butts and setting up a great 3D line shoot on 24-25. They did a great job for the few shooters that came out to shoot.

NASP League will be starting up again on September 12th. The past 8-week session saw an average of 40 kids shoot. Hopefully, with school underway, the numbers will continue.

The range will be closed on September 5th, until around midafternoon for carpet cleaning.

We are still looking for future board members.

Jim Tubbs

Secretary/Treasurer Report

by Chris Benson

The 8/19/2024 Board meeting was called to order at 6:00pm at the range.

Board members present: Jim Tubbs, Danny Tubbs, Steve Woitaszewski, Harry Windle, Kelly Slama, Brian Krogman, and Chris Benson

Club member Caughlin Bohn was also present.

Minutes of the last meeting were read and approved, followed by the Treasurer's report.

Target: Nothing new to report.

Bowhunter: This coming Friday is the set- up day for the shoot at the Turpin Outdoor Education Center.

Youth: The last day of the current JOAD session is September 17th. The next session will start on October 15th and run until December 17th.

Rangemaster: A new roof leak has started under the A/C unit. Harry is working with the roofer to get it repaired. He has also gotten a couple of bids to clean our carpet. The bids were \$670 and \$522. At this time, the Board is leaning towards the lower bid.

The lean-to addition on the back of the range is in dire need of repair as the exterior is in very poor condition. Harry estimates it will cost in the \$700-\$800 range. This work is planned for cooler weather this fall.

Old Business: Reminder to club members that elections are coming up this November.

The Cornhusker State Games 3-D was a success. The Club made \$986, and the indoor 450 round brought in \$768.

New Business: A new member application was read and approved for student Brenna Heller.

The Board is considering publishing Treasurer's reports in the newsletter, so members have an idea of the income and expenses of the Club.

The painting of the exterior south wall will likely be done soon.

Plans are to get rid of our old copier as it is obsolete. Jim has a copier he can donate to the Club.

The Board is debating how to replace or whether to replace the pop machine. It needs work, likely compressor, and the coin mechanism is obsolete.

The next NASP league will start on September 12th.

The next Board meeting is scheduled for September 16th at 6:00pm at the range.

Respectfully submitted,

Chris Benson
Secretary/Treasurer

Keep your equipment safe and convenient at the indoor range.
Lockers available for only \$50/year or \$30/6 months.
Contact Chris Benson for more information.

Youth Education Report

by Steve Woitaszewski

This session is ending September 17 and the last session for 2024 will be starting October 15. Cost is still the same \$50 for the 10-week session and all equipment is provided if needed.

This is a great time if you're in NASP to get some extra practices in and some pointers to improve your shooting form.

On the last class, September 17, we will again have our fun night. The kids have a blast on this last night and want to do it every night, but this is a reward for all their hard work the last 9 weeks. Come and join in the fun and spread the word about the next session starting on October 15.

The club would like to acknowledge your bowhunting success this 2024 hunting season.

Also, the club has an award for the largest buck taken this season.

Give Steve Woitaszewski a call to get your buck scored, it's free. His contact information is in this newsletter.
