## President's Message

by Jim Tubbs

Merry Christmas & Happy New Year! I hope everyone's hunting seasons went well.

Congratulations again to Kelly Slama, Jim Tubbs and Danny Tubbs for being elected to the Prairie Bowmen board of directors and to Caughlin Bohn for being appointed the new communication coordinator. Also thank you to Chris Benson for all of his years of service on the board.

Target season and NASP practice and tournament season is here. Schedules will be in the club newsletter/calendar. These are a very large part of the club's income.

Our largest money maker of the season is just around the corner, the Annual Nebraska Deer & Game Expo. We can always use plenty of help. Setup day is Thursday January 16 and Friday morning on the 17<sup>th</sup>. We need to be ready to go by 3:00 pm on the 17<sup>th</sup>. Our work schedule is, Arlie, Steve & Harry will pick up Plywood from Lumber 84 at 9:00 am on the 16<sup>th</sup>. All other volunteers can meet me at the range at 9:00 am to gather the 3d trailer, NASP 3d's, pillows, etc. we will also need help to run the shoot as well as tear down on Sunday. If you can help, please let me know and I will get you a pass to get into the show.

Thank you to those that helped on the work day Saturday December 28<sup>th</sup>. We were able to get NASP targets rebuilt for practice and tournaments. We should be good for another year.

2025 looks to be a great year!

Jim Tubbs

## Bowhunter Rep Report

by Danny Tubbs

Looking forward to a great season of Bowhunter League this year. Our first night is this Thursday, January 2nd at 7 pm.

As always, set up begins at 6 pm for anyone that can help. Please, call your friends and invite them along. The more the merrier.

Getting everything ready for this year's expo shoot that takes place at the event center on January 17th, 18th & 19th. Scheel's is our official sponsor again this year and will be providing gift cards for class winners.

The Bowhunter Rep position is still open. I have agreed to perform the duties of this position until someone volunteers.

If you have a site available and would like to set up an outdoor 3D this year, let me know and we'll figure out a way to make it happen.

Keep looking for those opportunities to do something kind for someone every day....just because you can.

## Youth Education Report

by Steve Woitaszewski

This last JOAD session ended on December 17th and the next session will start on January 7th. Two classes will be offered again every Tuesday evening for the following ten weeks, starting at 6PM and 7:30PM. Your choice of times. If you can't make it at the your selected time, when something comes up, do come at the other stated time. Cost is still \$50 for the class and payable at the start of the session. I don't want to mess with collecting money every week. The class is open to anyone eight year old and up, and I mean up. We have several adults and grand parents taking the class. If you have your own equipment bring it, but all equipment is provided if needed. Any other questions, or if you know anyone that would be interested in the class have them get back with me.
