President's Message

by Jim Tubbs

As I said in my last article, NASP archery season is winding down. We have a few archers that will be practicing on Wednesdays and Sundays, to get ready for Nationals. Congratulations and good luck to all of you that are going.

Again, I'd like to thank all the NASP kids, coaches, club members and the parents that supported to NASP program at Prairie Bowmen this year. Between the tournaments hosted (4) and the practices held, we had well over 1,000 kids shoot this year. With any luck, this will continue to grow. After Nationals, we will start working on the Cornhusker State Games, Summer & Fall NASP leagues and the tournament schedule for next year.

I'd also like to take this time to thank our club board members for the jobs they do. Many time's this can be a thankless job, but they do it for the benefit of the club and want to see the club continue to grow and prosper. It's not always easy.

Harry Windle is the club rangemaster. Harry does a great job keeping the range clean and in order. Members can help by picking up after themselves and putting things back where they got them.

Kelly Slama is the club treasurer/secretary. She is responsible for paying our bills, taking care of the club's money, recording the minutes of meeting, correspondence with NFAA, USA Archery, etc.

Brian Krogman is the VP of target and is responsible for target leagues and all club target tournaments.

Danny Tubbs is the current 3D rep. He is responsible for anything 3D. Leagues, DEER & GAME EXPO. Etc.

Caughlin Bohn is the club communication director. Puts together the monthly newsletter and send out emails to club members of upcoming events.

Steve Woitaszewski is the youth coordinator. His main responsibility of the weekly JOAD classes.

Jim Tubbs as president. I guess my job is to oversee the board, promote the club and the Cornhusker State Summer Games.

Although Patrick Sullivan is not a board member, we appreciate him keeping our website up and going!

If you see any of these folks, let them know you appreciate the jobs they do.

Still looking into the possibility of having a professional archer come in to do a seminar.

Medals need to be ordered for shoot winners, just need to figure out quantities of each.

Hope everyone who is hunting turkey this season has a great harvest to brag about.

Good luck and be safe in all your adventures and...and as always...don't ignore those opportunities to do something kind for someone every day...just because you can.

The last day for this session of JOAD will be March 11 and the next session will start on April 8 and end on June 17. There will be no session on June 3, thus the class running 11 weeks this session. The cost is still only \$50 for the 10 week session and all equipment is provided if needed. If you have your own equipment, please fill free to bring it. The class is open to all 8 years old and up, so adults are very welcome and encouraged. The instructors are JOAD and NASP certified.
