President's Message

by Jim Tubbs

Thank you to all that helped with the work day on Saturday June 28th. It was much appreciated.

We were able to rebuild 2 Morrel targets, clean out the outside storage shed and clean out the area between the storage areas by the back alley. Looks much better. Lunch was furnished to the workers.

Sunday June 29, we hosted the out door 900 State Target Tournament at The Turpin Outdoor Education Center. 27 archers survived the early morning rain.

The next Board meeting will be on Monday July 14 th . Anyone can attend.

The range will be closed on Saturday July 12 th and Sunday July 13 th , for NASP Archery for the Cornhusker State Games. Just a reminder that all other archery events, for the State Games, will be held in Grand Island.

Youth Education Report

by Steve Woitaszewski

The third session on JOAD for the club will began July 15th and end on September 16th. Like all the other sessions there will be two sessions offered each Tuesday evening. One starting at 6PM and another starting a 7:30PM. The cost is still \$50 for the full ten week session, due at the start of the session. The club will supply all equipment needed, but if you have your own please bring it. All ages eight and up welcome club members or not. If you know of anyone interested please have them get back with me. We have all ages shooting from kids to grandparents. With archery hunting season just around the corner this is a great time and place to get back into hunting shape or get youth ready for the fall archery season.

The club has big game awards to offer each year for club members. All you have to do is get your trophy scored and sent into the club. Any Nebraska big game animal take by a club member is alleageable. I know that someone in the shot something the season.

The cost of getting is scored is FREE. Give Steve Woitaszewski a call (402-450-3427) to get it scored deer, turkey etc.
