## President's Message

by Jim Tubbs

Another Cornhusker State Games NASP Tournament has come and gone. This year I added a coaches/alumni flight and a Saco round. Last year we had a record number of archers and broke the record again this year. Looking forward to breaking this year's record in 2026!

Thank you to all the volunteers that helped setup, tear down, clean up and run the events. I could not do it without all of you! In addition to the shoot, Curtis Schneider and I celebrated turning 70 years old, with pulled pork sandwiches and cupcakes for everyone.

A big thank you to our range master Harry Windle, for continuing to keep the range clean and organized. He did a great job on the new bulletin board as you enter the range. Before putting anything on it, please get board approval.

This past week, July 24-25, I had the privilege of going to the NASP Coaches Conference in Gatlinburg, Tennessee. It's always a great experience to learn from other coaches, from other states on how they approach coaching. The one big change for this year, is a new arrow rest for the Genesis bow. They are pretty neat, but are not mandatory to change. You will still be able to use the original, if you desire.
