## Bowhunter Rep Report

by Danny Tubbs

Congratulations to anyone who has had a deer harvest and good luck to those still out there.

Got a little more noise to confuse the deer right now with the pheasant season upon us, then it will be rifles in a couple weeks. Probably should be wearing your orange already but don't forget when the rifles come out.

Again, only two months till Bowhunter league begins. This year's first night will be NEW YEAR'S DAY, January 1st, 2026. Party all night then get a good days rest and come to league. I will have soup, crackers and rolls and butter for all who come to shoot. Let's start the new year off right with your fellow archers and friends. Hope to see you all.

The second night of league will be the 8th then we will take a night off to prepare for the expo on January 15th, 16th and 17th.

Looking forward to an awesome league season this year.

As always, do something kind for someone every day...just because you can.

## Youth Education Report

by Steve Woitaszewski

Tuesday evening JOAD is going strong, but we still have room for anyone wanting to come join the fun. The last day for this session is December 16th. The next session will start on January 6th. Cost is still the same for the ten-week session \$50, and all equipment is provided if needed. The only stipulation is you have to be eight years old. If you know of anyone interested in this archery class have them get back to me. My contact information is in the PB newsletter.
