### President's Message

by Jim Tubbs

I hope everyone had a great Deer and turkey season the year.

Things will be picking up in January at the club. NASP archery practices and tournaments will be in full swing until April. Target and 3D leagues will be starting back up, as well as NFAA tournaments. Keep an eye on the calendar for the upcoming events.

Thanks to everyone that helps with work days and keeping the range clean. If you see something that needs to be done, let us know.

The Nebraska Deer & Game Expo is just around the corner. January 16, 17 & 18<sup>th</sup>, with setup (move in day) on the 15<sup>th</sup>. This is our biggest fund raiser of the year and do need plenty of help. If you can help setup, tear down and/or help run the 3D, please let me know asap, so I can put a list together. I can get you a name tag so you can get in for free.

**Minutes** of the last meeting were read and approved, followed by the Treasurer's report.

**Target:** The last session of fall league has concluded. There were 11 weekly archers and a few walk-ins. The comments were positive and people liked the online scoring and use of the time clock. League will resume on 1/5/26.

The Thanksgiving 450 and Cornhusker Shootout were well attended with numbers being up from last year.

**Bowhunter:** 3D league will start January 1. Danny will get targets ready for league and the Deer and Game Expo.

**Youth Coordinator:** The last session of JOAD was last week. The next session starts 1/6 and goes until 3/10.

**Old Business:** We are still interested in having someone to come in to do a seminar. Michael has some connections.

Deer & Game Expo 3D is coming up 1/16, 17 & 18. Setup will be on January 15<sup>th</sup>. We will need some volunteers to help.

The re-elected officers started new terms tonight as well as newly elected Target Rep, Daric Stalder.

**New Business:** **New member applications** were read and approved for Emma Heyen & Kirsten Minert (family memberships), Dustin Sheehan, Angel Krom & Michael Payne (single memberships).

Need to get an AED and also make sure fire extinguishers are checked.

Still need to order a few block targets for NASP tournaments.

**Please be sure to tag Prairie Bowmen  
in your archery social media posts**

## Bowhunter Rep Report

by Danny Tubbs

As of this writing I have most everything ready to go for bowhunter league that is on schedule to begin on New Year's Day.

I will have soup and rolls for all those in attendance to bring in the new year.

Interested to hear all your hunting stories and see all the photos. If submitted, photos can be added to the newsletter as well as to the website and Facebook pages.

Looking forward to an awesome league this year.

Cold weather, icy windshields and snow covered sidewalks and driveways offers lots of opportunities to do something kind for someone...just because you can.

## Target Rep Report

by Daric Stalder

I would like to thank Michael Welsh for filling in as target rep for the past few months. He did a great job with league and tournaments!

We will be starting target league back up on January 5th. We will be shooting a 450 round for 5 weeks. Cost for the session will be \$25. We will accept drop-ins for \$5 a night if you can't make the full session. On the last night of the session, shooters that have shot all 5 weeks will be in a shoot off. The top 3 will win some cash. Looking forward to the New Year as your new Target Rep.

## Target & Advanced Archery Report

by Michael Welsh

The last session of the Fall League went very well with 11 weekly archers and a few walk-ins. Despite it being a bit of a learning experience for me, I received a lot of positive comments about how well it was run and the variety of formats. The online scoring and use of the clock were praised and kept things running smoothly.

The Cornhusker Shootout and the Thanksgiving 450 were well attended and up from previous years. The 450 more than doubled last year's attendance. Also a lot of positive comments from participants about the online scoring and the lack of major issues.

A very special thanks to Sonia Morgan for running the line and keeping archers in their place.

### Advanced Archery

The JOAD Advanced Archery class is still growing with 7 official members and about 5-6 more looking to join in the next session. The growth has led us to ask Greg Gayman to help coach starting next session so we can keep the instruction group small and tailored to the individual.

Class will resume January 5 and follow the normal JOAD schedule.

**The club has big game awards to offer each year for club members. All you have to do is get your trophy scored and sent into the club. Any Nebraska big game animal take by a club member is allegable. I know that someone in the shot something the season.**

**The cost of getting is scored is FREE. Give Steve Woitaszewski a call (402-450-3427) to get it scored deer, turkey etc.**
