President's Message

by Jim Tubbs

A huge THANK YOU to all the volunteers and archers that took the time to help and shoot in the Prairie Bowmen 3D at the Nebraska Deet & Game Expo. 192 shooters was great! Looking forward to next year.

NASP archery season is in full swing! 2 tournaments down and a couple more to go. Thank you to the North Star and South Lincoln coaches, parents and student archers for the continued support. It keeps growing every year.

Secretary/Treasurer Report

by Kelly Slama

The 1/23/26 Board meeting was called to order at 6:03pm at the range.

Board members present: Jim Tubbs, Harry Windle, Steve Woitaszewski, Caughlin Bohn, Daric Stalder and Kelly Slama
Club members present: Wes Sheets

Minutes of the last meeting were read and approved, followed by the Treasurer's report.

Target: Daric reports this 5 week session of target league has 14 shooters. There are 2 weeks left with shoot offs on the last night which is 2/1. The next session will start 2/8 and will be an NFAA 300 round for 5 weeks. Talked about possibly doing a New Years Day tournament in 2027.

Bowhunter: Danny needed some help to run bowhunter league for a couple of weeks. Some volunteers stepped up to cover for him.

Youth Coordinator: Steve reported the current session of JOAD has about 29 students.

Rangemaster: Harry had nothing new to report.

Old Business: Jim will be working to get the fire extinguishers serviced.

Jim will be ordering targets for NASP and some fletches for Steve.

New Business: New member applications were read and approved for Robert Sheehan, Jenna Ripke, & Kris Glanz (single memberships), Ami Nguyen, Henry Alvarez & Cassidy Siebe (student memberships).

Deer & Game Expo 3D for next year is 1/15, 16, & 17. Setup will be on January 14th. Some recommended improvements include having line judges on both ends, red & green lights, longer yardages and more trees. Discussed price changes. Will charge \$20 for adults, but cub/youth cost will remain at \$10. Need to redo/rewrite info for the Expo website for cost & classes. We also need to work on better promotion of the event. We will not be doing a NASP 3D at the Expo next year.

The awards wall needs some painting due to some water damage.

Looking to add a heater above front door. Waiting on a quote.

2 ground blinds were purchased for raffles.

The next meeting is scheduled for Friday, February 20th, 2026 at 6:00pm at the range.

Please be sure to tag **Prairie Bowmen**
in your archery social media posts

Keep your equipment safe and convenient at the indoor range.
Lockers available for only \$50/year or \$30/6 months.
Contact Kelly Slama for more information.

Target Rep Report

by Daric Stalder

Indoor league has been averaging around 14 shooters for this 5 week session. We will have the shoot offs on Monday Feb 2nd. The following week we will start a 5 week session shooting the NFAA Blue and White 5 spot. There is also a Pin shoot scheduled for February 14th.

Youth Education Report

by Steve Woitaszewski

This winter section will be at it's half way point when your read this, but we always have room for one more especially at the 6PM time slot. Several NASP kids are in this session to get some extra practice in and some more one on one caching. At the last tournament on 1/24 four of the JOAD kids shot PR's and were very excited. It made us coached very proud also to see them improve. As for the JOAD class in it still only \$50 for the 10 week session. That is only \$5 a class and all equipment is provided if needed. Anyone over 8 years old and up is allegeable for the class. This session ten shooters are adults. We offer two classes on Tuesday evenings one starting at 6PM and another starting at 7:30PM your choice. If you can't make this session the next on will start on April 7th. If you need mor information call or email me. My contact information is in this newsletter or on the PB web site. SHOOT STRAIGHT AND HAVE SAFE FUN.

Bowhunter Rep Report

by Danny Tubbs

The 2026 Expo is behind us and was another successful, record breaking shoot thanks to all who attended.

If you have any comments, positive or negative, about the set up or the way anything was handled, we want to hear your input and we take it seriously.

I was experiencing some health issues and want to say thank you to those individuals that handled things in my absence.

Also, special thanks to Bob Rau and John Hay and their crews for handling league due to my ongoing issues.

I am giving strong consideration to putting together outdoor 3D line shoots again this year. This isn't in stone and I would appreciate any input you may have regarding this possibility.

The ease of set up for the crew and the convenience to the shooter makes this a great alternative to the traditional 3D set up. It follows the pattern of the popular indoor 3D line shoots but allows the shooters to enjoy the outdoor weather and eliminates hiking through a forest, hunting for your next shot and putting up with insects, (ticks and mosquitos).

If I attempt this again, I hope you will come out and enjoy this new venue. It is a very family friendly set up.

This year's board elections in November of 2026 will include the bowhunter rep position. I agreed to be the interim rep at the last election due to no one volunteering for this position. My offer will again be on the table for the 2026 election as it is in the best interest of the club. I strongly encourage anyone that may be interested in fulfilling the position to contact me and I can discuss this opportunity with you.

League continues to be held at 7 pm on Thursday evenings, with the flighted finally scheduled for March 19th. Set up begins at 6 pm. If you have time help is always appreciated. Please consider joining us and as always, league is open to anyone, members and non-members, so bring a friend.

Hope to see you all there.

The club has big game awards to offer each year for club members. All you have to do is get your trophy scored and sent into the club. Any Nebraska big game animal take by a club member is alleageable. I know that someone in the shot something the season.

The cost of getting is scored is FREE. Give Steve Woitaszewski a call (402-450-3427) to get it scored deer, turkey etc.
