## **President's Message**

by Jim Tubbs

The Club has purchased new folding chairs. It was time to update and get rid of the orange chairs. If you would like a few or all of them, please help yourself. These are the orange ones only! They are good chairs, just don't stack.

We have been asked if we'd like to volunteer to help with the Joad Junior Nationals, which are being held in Lincoln this year. Dates are July 19 – 27th. This is right after the Cornhusker State Games and will be held at the Abbot Sports Complex. The biggest days (12-15 People needed) will be the 19, 20, 26 & 27, to set up and tear down. The rest of the days only 3-4 people are needed. We are trying to do this with a couple boy scout troops and then will split the profits. If you'd like to help, please let me know asap. This would be great exposure for the club. Each volunteer will receive a shirt, lunch, snacks and drinks.

NASP season is almost over, with the state tournament on March 20 & 21 st , at the Sandhills Global Event Center. Practices will continue on a smaller scale after the tournament, for those that qualify for Nationals. I will let you all know what that schedule looks like after the state tournament. Thank you to all the club members, that continue to support this program. The club does benefit from this with practices, tournaments, & student and family memberships.

All you turkey hunters, be sure to mark March 25th on the calendar. The turkeys will be waiting for you!!

**Old Business:** Michael has lined up 3 professional archers for a seminar on 5/9. Class limit will be 20-25 and will cost \$100 per archer.

NASP targets were received. We should be good on supplies for next year.

Reviewed the range rules for posting in the range.

**New Business: New member applications** were read and approved for Christian Gates & Jason Finley (single memberships), Dicky Griffin & Amanda Goreham (family memberships).

New folding chairs have been purchased. Plan to post the old (non-folding) chairs on FB to see if members want them.

Jim would like to do a volunteer of the year award.

The club will be hosting the Nebraska State Indoor target tournament February 28 & March 1.

JOAD Jr Nationals will be held in Lincoln in July. The club has been contacted to see if we would like to volunteer to help with setup/tear down & other tasks during the tournament.

**The next meeting** is scheduled for Tuesday, March 24<sup>th</sup>, 2026 at 6:00pm at the range.

**Please be sure to tag Prairie Bowmen

## Target Rep Report

by Daric Stalder

Target league is rolling along on the NFAA blue n white face target. We are averaging around 12 -14 shooters and March 2nd will be our last day this session with shoot offs following. We will be taking a week off before resuming with a 450 fita for 4 weeks.

## Youth Education Report

by Steve Woitaszewski

We just have a few weeks left in this session, but the next session will start on April 7 and run through June 16. We have had a few join this session after it started, one just last week. So don't feel like you have to wait until the next session to join the fun and increase your archery skills. The cost hasn't changed still \$50 for the ten week session and all equipment is provided if needed. My information is in this newsletter and on the club Web sight if you have any questions or know of someone wanting to get into archery or just improve their skills.
