President's Message

by Jim Tubbs

Not much to report this month. We are getting bids to redo the range floor, east of the carpeted area. When or if we decide to do this, we will let the membership know, as we will most likely close for a week.

NASP summer leagues will be starting up again on Wednesday June 10. Keep an eye on the calendar for dates.

We seem to have a problem with folks spilling beverages on the carpet and not cleaning these spills up. Harry works his rearend off trying to keep the range clean. Club members need to start doing their part and cleaning up after themselves. You may start by setting drinks on the tables and not on the floor.

Keep your equipment safe and convenient at the indoor range. Lockers available for only \$50/year or \$30/6 months. Contact Kelly Slama for more information.

Secretary/Treasurer Report

by Kelly Slama

The 5/21/26 Board meeting was called to order at 6:02pm at the range.

Board members present: Jim Tubbs, Harry Windle, Steve Woitaszewski, Caughlin Bohn, Daric Stalder and Kelly Slama
Club members present: Greg Gayman and Michael Welsh

Minutes of the last meeting were read and approved, followed by the Treasurer's report.

Target: Target league is still on a hiatus. Michael wants to do a Rushmore 450 shoot on 6/20 instead of the usual pin shoot. This will prepare archers for the CSG indoor 450 shoot.

Bowhunter: Jim reported Danny's 3D shoot had 13 shooters and they liked the format. He will be doing this style shoot again on August 30 at Turpin.

Youth Coordinator: Steve reported JOAD is going good. The last day of this session is June 16 & there will not be class on June 2. The next session starts July 7 and goes until September 8.

Rangemaster: Harry reported he has some carpet stains to clean up before CSG NASP.

Old Business: The Deer & Game Expo website still needs to be updated for the 3D contest in 2027. Kelly will be working on the verbiage and send out to the board for review before submitting to Chris Edwards.

Nebraska/South Dakota shootout discussions are in the works. Looking like this may happen around Halloween weekend.

New Business: New member applications were read and approved for Tom Staley & Robert Miller. Both are family memberships.

New targets for NASP practice will be needed before Fall. In the meantime, we will need some new covers.

Our regular bales are getting soft in spots. Discussed spinning them around to the other side.

Jim recommended Danny be approved for lifetime membership since he has been a member for over 20 years. The board approved.

The floor in the shooting area is needing repair. Discussed some ideas and would like to go the epoxy route.

Discussed what we are doing for awards for the Cornhusker Shootout. Decided to do same plaques as before. Jim will get supplies and Janice will start the engraving.

Jim announced dates for the NASP summer league. It will be Wednesday nights on 6/10, 6/24, 7/1, 7/8, 7/22, 7/29, 8/5 & 8/12. Also discussed NASP tournaments schedule for 2027 and working some of our shoots around that.

The digital storefront is set up with PB merch. Michael provided a link via email for the board members to take a look at the offerings. The store is not live yet.

The next meeting is scheduled for Wednesday, June 17th, 2026 at 6:00pm at the range.

The club has big game awards to offer each year for club members. All you have to do is get your trophy scored and sent into the club. For turkeys, get your turkey live weight and get with Steve to have the turkey scored. He will need the beard and both spurs to finish the scoring. Any Nebraska big game animal taken by a club member is allegeable. I know that someone in the club shot something this season.

The cost of getting scored is FREE. Give Steve Woitaszewski a call (402-450-3427) to get it scored deer, turkey etc.

Youth Education Report

by Steve Woitaszewski

By the time who read this the second session for this year will be done of finishing up. The next JOAD session will start on July 7 and run until September 8. With two sessions every Tuesday one starting at 6PM and another starting at 7:30 PM. Cost is still the same \$50 for the full ten weeks and all equipment is provided if needed. Had several of the kids from last session that went to Natural's for NASP and did every well. If you know of anyone young or not so young wanting to improve their archery skill or want to get started with archery my information is in this newsletter and on the club's web site. If you need more information get back with me.

The last week of school Harry Windle and I went to Fredstrom Elementary and put on a shot archery show and tell for the third graders. We did this last year also and was a lot of fun and had all kinds of questions. The kids were going to camp for an outing and archery is one of the things they get to do, do this kind of gives them an idea of what to expect. Just a few days ago I had three boys walk by my house when I was out side and they said you are the archery guy. I asked them if they and fun at camp and how was archery. They stated that it was fun and that they hit the target and got to shoot a lot.
