President's Message

by Jim Tubbs

Just a reminder that the range will close on Sunday August 16th at noon, so we can move everything off of the concrete area, to the carpet, for the flooring guys. If anyone would like to help with moving the items, it would be appreciated. Lunch will be provided for those who help. We plan to open the range back up on Monday August 24th. We also plan to clean the carpeted area as well as do some housekeeping.

The numbers for NASP at the Cornhusker State Games was down a bit from the past 2 years, but we still had 81 student archers participate. Thank you to the archers and volunteers that helped out.

We are also planning to have signs made for outside of the building that say "Prairie Bowmen Archery Club Parking". These will be on the front and south side of the building. I talked to Matt at Adams Auto and he's ok with it.

Secretary/Treasurer Report

by Kelly Slama

The 7/15/26 Board meeting was called to order at 6:06pm at the range.

Board members present: Jim Tubbs, Danny Tubbs, Harry Windle, Steve Woitaszewski, Caughlin Bohn, Daric Stalder and Kelly Slama

Club members present: Michael Welsh

Minutes of the last meeting were read and approved, followed by the Treasurer's report.

Target: Daric had nothing new to report.

Bowhunter: Danny did an inventory of 3Ds. He has kept the best of the inserts and the rest can be given away since it's too many to keep for league. The trailer is loaded for the August shoot. He's working on building more trees.

Youth Coordinator: Steve reported the new JOAD session started last week. They have about 16 shooters.

Rangemaster: Harry is having trouble getting spots out of the carpet. He would like to clean carpets when the range is closed.

Old Business: Still working on putting together a Nebraska/South Dakota shootout competition.

Steve hosted a group of 20 visually impaired shooters. They had a great time shooting.

Looked into powder coating bow racks during range closure and it was too expensive. They will be repainted instead.

Summer NASP league is going well.

Awards are being made for the Cornhusker Shootout.

Planning to order 10-12 new NASP targets for practices starting in October/November.

New Business: There were no new member applications.

State Games NASP had 46 shooters + 30 3D shooters. There was a SACO teams shoot as well.

Some older NASP targets (5-6) were given away and the rest were tossed.

The range floor will be repaired. The range will be closed starting 8/16 and will re-open on 8/23. Working on a schedule of things to do during this closure.

Michael showed samples of shooter jerseys. There is one design specific for his Advanced JOAD team and a different design will be available for members. He also came up with a sample brochure with info about the club and how to join.

Michael has received requests to host a Level 3 training class. He will work on a time to schedule that.

Steve requested we put up some parking signs to designate parking spots for members/visitors.

The next meeting is scheduled for Thursday, August 20th, 2026, at 6:00pm at the range.

Youth Education Report

by Steve Woitaszewski

We just finished week #2 for this 10 week session of JOAD archery and we have for anyone that is still wanting to join in the fun. The cost is only \$5 a session. So if you know of anyone send them my way or just have them stop done any Tuesday evening. Also if you are in NASP and want some extra practice and some extra coaching we can do that also. We have 5 certified USA coaches and all archery equipment is provided if needed. This summer the 6PM class is small so coaching is all most one on one. Too it is a great time to get the rust off before archery hunting season got going.

The club has big game awards to offer each year for club members. All you have to do is get your trophy scored and sent into the club. For turkeys, get your turkey live weight and get with Steve to have the turkey scored. He will need the beard and both spurs to finish the scoring. Any Nebraska big game animal taken by a club member is allegeable. I know that someone in the club shot something this season.

The cost of getting scored is FREE. Give Steve Woitaszewski a call (402-450-3427) to get it scored deer, turkey etc.
