President's Message

by Jim Tubbs

A lot has been done to the range in the past month. We hope that you all enjoy the updates. One house keeping note – Please keep all drinks on tables and not on the floor. They seem to get knocked over and not cleaned up. If you do spill something on the floor, please clean it up. There is cleaner and paper towels on the table by the desk.

Due to an incident that happened a couple years ago, we now have an AED. We are hoping that it is never needed and will collect dust, but it is there in case. Thank you to the folks that donated towards this. It is located on the north wall, between the pop machine and lockers.

The floor turned out great and we have had many compliments on it. Something we should have done years ago. Harry can now relax a bit and not worry about repairs every time he turns around.

Youth Education Report

by Steve Woitaszewski

The next session of JOAD will start on October 6th, and the last day will be December 8th. The last day of class is always a fun night. It's open to everyone club member or non-member ages eight and still moving. We have several adults taking part in the class some are parents, but most are adults just wanting to learn archery or better their game. Cost is \$50 for the ten weeks, and all equipment is provided if needed. If you know of anyone, have them get back to me for more information or have them just show up on October 6th. All of the coaches are USA Archery certified coaches and two are NASP certified.

With bow seasons already underway or getting ready to start, it is a great time to get score for the club's big game awards.

The club has big game awards to offer each year for club members. All you have to do is get your trophy scored and sent into the club. For turkeys, get your turkey live weight and get with Steve to have the turkey scored. He will need the beard and both spurs to finish the scoring. Any Nebraska big game animal taken by a club member is allegeable. I know that someone in the club shot something this season.

The cost of getting scored is FREE. Give Steve Woitaszewski a call (402-450-3427) to get it scored deer, turkey etc.
