

Eight Mile Services LTD Warranty

Company Name: Eight Mile Services LTD

Product/Service Covered: Technology Services (e.g., home networks, enterprise IP networks, Wi-Fi installations, DevOps services)

Jurisdiction: United Kingdom

1. Warranty Period

Eight Mile Services LTD provides a one-year warranty from the date of service completion. This warranty covers defects or issues arising from service implementation under normal usage conditions.

2. Warranty Coverage

This warranty covers defects or issues in the implementation of services performed by Eight Mile Services LTD.

3. Exclusions

This warranty does not cover misuse or improper use of the services or systems, issues caused by third-party hardware or software, unauthorised modifications, repairs, or system changes made by the customer or third parties, or problems caused by natural disasters, power surges, or events beyond the control of Eight Mile Services LTD.

4. Remedy

If a defect is reported within the warranty period, Eight Mile Services LTD will provide free rework or corrections to resolve the identified issues.

5. Customer Responsibilities

To claim the warranty, the customer must allow access to systems for troubleshooting and resolution.

6. Exclusions of Costs

No additional costs will be charged for rework or corrections covered under this warranty.

7. Registration and Transferability

To activate the warranty, customers are encouraged to follow the recommended maintenance guidelines provided by Eight Mile Services LTD.

8. Maintenance

Warranty claims must be handled directly by Eight Mile Services LTD.
