## INTERIOR WROUGHT IRON

We offer quality, creative iron and steel fixtures utilizing the best materials and create a variety of bespoke wrought iron and steel items to order.

## DURABLE AND ATTRACTIVE

Our products are both attractive and we understand that it needs to be as functional in order to fully serve its purpose. Therefore, we design with quality and durability in mind.

Kabulonga, Lusaka

## EXTERIOR WROUGHT IRON

Each home and development undergo slight plan variances, so we are careful to measure and design a great fit. We also work with your Architect, Designer and Contractor to ensure that you get the style and finish you always dreamed of!

Northmead, Lusaka

## TRELLIDOR AND SECURITY GATES

At Steel Valley we understand the importance of security, that why we can have yours manufactured and fitted to high South African Standards, safe guarding everything important to you.
