1. Organists may be of any age and will play two pieces in contrasting styles and a hymn. The maximum performance time is 15 minutes. It is not necessary to use the entire 15 minutes. Please prepare to play an introduction and two stanzas of the hymn, as for congregational singing. **Please note the requirements for the hymn at each level. The two pieces for students entered at Level 4 and above must be from two different periods.** Please refer to the **Progressive Repertoire Requirements** for details (available on our website at <https://agosd.org/education>). Literature in the repertoire requirements is intended to serve as a guide to entering a student at the appropriate level. It is not necessary to play a piece that is listed. Memorization is not required.
2. Pianists may be of any age and will play one piece. The maximum performance time is 5 minutes. Pianists will be auditioning for introductory organ lessons with a qualified AGO instructor. Pianists may only receive an award once for participation on piano. To be eligible for an award in the second year, participation in the second year must be on the organ. Memorization is not required.
3. Adjudicators' comments will be sent to teachers.
4. Performers 21 years or older may participate in the auditions as many times as they wish, but will only be allowed to receive tuition grants a maximum of three times.
5. Students must use their scholarships to study with a teacher who is a member of San Diego AGO or to assist with the cost of attending an organ workshop or camp. Students who need financial assistance to attend a Pipe Organ Encounter are strongly encouraged to apply for a scholarship from AGO National. See <https://www.agohq.org/poe-scholarships/> for details. At the present time our teachers do not teach farther north than Rancho Bernardo, farther east than Santee, or farther south than downtown San Diego. Students who are not able to travel to one of these locations for lessons should consider participating in a different AGO chapter's auditions. A complete list of chapters in our region is available at <https://www.agohq.org/regions/west/>
6. Participants must be residents of San Diego County or study regularly with a San Diego AGO member teacher.
7. Practice time will be available at the host church so that teachers can help their students prepare.

8. Tuition checks for students who receive awards will be mailed directly to the teacher, POE site or other organ camp of the student's choice by June 30, 2025.

9. The highest-performing organists of each division will be invited to perform at an honors recital as part of a Sunday 2:00 pm concert at the Spreckels Organ Pavillion.

10. The Spreckels Organ Society will present additional awards to the top student in each of the divisions (Novice, Intermediate, Advanced). These will be presented as part of the San Diego International Organ Festival concerts (Monday evenings in the summer).

11. If you have questions, please contact Leslie Wolf Robb, San Diego AGO Education Coordinator, at education@agosd.org. Our goal is to create an event that will be a positive experience for all who participate. Let's work together to continue to encourage organ study in San Diego! Thank you in advance for your participation.
