

PROTECT SEXUAL AND REPRODUCTIVE RIGHTS IN THE FUTURE

With a Gift That Costs You Nothing Now

How will you be remembered?

Throughout our lives, there are moments when we pause to reflect on what we have achieved and what we hope to accomplish. Over the years, you have made a difference by advocating for the right to sexual and reproductive health care for everyone, especially women and girls.

Many PAI supporters tell us, “I wish I could do more.” You can! Leaving a gift to PAI through a will, trust or by beneficiary designation is a simple and powerful way to make a lasting impact that won’t cost you anything today. It’s easy! Here are two ways you can leave a gift to protect sexual and reproductive rights for years to come:

1

Simply Sign Your Name: Gifts by Beneficiary Designation

- n Retirement accounts
- n Life insurance policies
- n Bank or brokerage accounts
- n Certificates of deposit
- n Donor-advised funds

It’s easy to do.

1. Check your account statement for the phone number and website of your account administrator.
2. Request or download a beneficiary designation form.
3. Designate PAI as a partial, contingent or sole beneficiary of your account.
4. Sign and return the form to your plan administrator and keep a copy for your files.

SAVE ON TAXES WITH GIFTS FROM A RETIREMENT ACCOUNT

Leaving a gift to PAI through your retirement plan account, such as an individual retirement account (IRA), is one of the most tax-smart gifts you can make. Because most retirement plans are taxed differently than other funds, they may actually become a tax liability if left to loved ones. Because PAI is tax-exempt, we receive 100% of your gift to create your enduring legacy.

Make Your Mark: Gifts in Your Will

One of the most popular ways to leave a lasting legacy of support for women's sexual and reproductive health worldwide is by leaving a gift to PAI in your will or trust. The gift costs you nothing now but allows you to play a significant role in the future of this work.

Simply provide your attorney with the following information:
