

Whole-Home Purity Meets Lower Westchester Living

The *Allini 1200* delivers alkaline enriched water to every tap in your home, removing microplastics, PFAS, bacteria, heavy metals, and harmful chemicals that affect your health and well-being. This advanced whole-home system makes water safe for drinking, reduces skin irritations, and enhances taste by minimizing chlorine, byproducts, and hard-water buildup. Enjoy softer skin, healthier hair, brighter laundry, and longer-lasting appliances with zero maintenance for up to seven years. The *Allini 1200* brings comfort, confidence, and convenience with pure, chemical-free water throughout your entire home.

Streamlined Power Whole-Home Results

At 59" tall, the S1200 delivers full-house filtration without taking over your space.

No Cartridges - Zero Maintenance
