Allini Water Filters Warranty & Lifespan Information

At Allini Water Filters, we stand behind the quality and craftsmanship of our products. When properly installed and maintained, your water filter is designed to provide reliable, long-lasting performance.

Initial 1-Year Warranty

We guarantee all parts of your Allini water filter against defects in material or workmanship for 12 months from the date of installation. If any component fails within this period, we will replace it at no cost to you.

2-Year Complete Tank Warranty

Your tank is covered under a comprehensive 2-year parts warranty. We will replace any tank component that fails within 24 months due to a manufacturing defect in materials or workmanship.

2-Year Limited Media Warranty

We offer a limited 2-year warranty on the filter media. If a failure occurs within 24 months as a result of defects in material or workmanship, we will replace the affected part.

General Conditions

This warranty does not cover damage resulting from misuse, improper installation, neglect, modification, accidents, or operation outside of the guidelines provided in our printed instructions. Additionally, damage caused by chlorine, chloramines, or natural disasters is not covered.

Repairs or replacements will only be made if Allini Water Filters determines the defect falls under the scope of this warranty. We are not responsible for any incidental or consequential damages, including labor or other expenses related to part failure.
