

# 1336-B003-EOD-FA2-L1

## Allen Bradley Drives – 1336

| Technical Specifications: |                                                        |
|---------------------------|--------------------------------------------------------|
| Manufacturer              | Rockwell Automation                                    |
| Brand                     | Allen-Bradley                                          |
| Part Number/Catalog No.   | 1336-B003-EOD-FA2-L1                                   |
| Product Type              | Adjustable Frequency AC Drive                          |
| Input Voltage             | 380/415/460V AC                                        |
| Hz                        | 50/60                                                  |
| Phases                    | 3                                                      |
| Amps Out                  | 6                                                      |
| KVA Out @ 380V AC         | 3.9                                                    |
| KVA Out @ 415V AC         | 4.3                                                    |
| KVA Out at 460V AC        | 4.8                                                    |
| Enclosure Type            | Open style (IP00)                                      |
| Enclosure Amp Rating      | 003, 005, 007, or 010                                  |
| Bulletin                  | 1336                                                   |
| Option                    | +5V DC TTL Logic Contact Closure Interface Board.      |
| Option                    | Basic control panel for open or NEMA Type 1 enclosures |
