

# 1336F-B040-AN-EN-HCS1-LA2-LA3-L6

## Allen Bradley Drives – 1336 PLUS II Drives

| Technical Specifications: |  |
|---------------------------|--|
| Manufacturer              | Rockwell Automation  |
| Brand                     | Allen-Bradley  |
| Part Number/Catalog No.   | 1336F-B040-AN-EN-HCS1-LA2-LA3-L6   |
| Voltage                   | 380 to 480 Volts AC  |
| kW (Horsepower)           | 30 (40)  |
| Enclosure Type            | IP 00 (Open)   |
| Language                  | English  |
| HCS1                      | HCS1 Programmer/Controller with an Analog Pot and Upload/Download Capability |
| LA2                       | Two Isolated Configurable Inputs   |
| LA3                       | Two Isolated Configurable Outputs  |
| L6                        | 115 Volts AC   |
