

# 1747-L20G

Allen Bradley PLC – SLC 500

| Technical Specifications: |                           |
|---------------------------|---------------------------|
| Manufacturer              | Rockwell Automation       |
| Brand                     | Allen-Bradley             |
| Part Number/Catalog No.   | 1747-L20G                 |
| Series                    | SLC 500                   |
| Module Type               | Fixed Controller          |
| Inputs                    | (12) 24 V DC Sink         |
| Outputs                   | 8 DC Transistor Source    |
| Line Power                | 24 Volts DC               |
| High-Speed Counter        | Yes                       |
| User Power                | 24 Volts - 200 milliamps  |
| Cable                     | Belden 9463               |
| Connectors                | 6-Pin Phoenix Connector   |
| Weight                    | 0.37 pounds (168 grams)   |
| Dimensions                | 5.72 x 1.37 x 5.15 inches |
| Operating Temperature     | 0-60 Celsius              |
