

# 1771-QI

## Allen Bradley PLC – PLC 5

### Technical Specifications:

|                         |  |
|-------------------------|--|
| Manufacturer            | Rockwell Automation                      |
| Brand                   | Allen-Bradley                            |
| Part Number/Catalog No. | 1771-QI                                  |
| Module Type             | Co-Injection Module                      |
| Inputs                  | 4 Analog Inputs                          |
| Max Input Frequency     | N/A                                      |
| Outputs                 | 4 Analog Outputs                         |
| Slots                   | 1 Slot                                   |
| Module Update Period    | 2 ms Scan                                |
| Backplane Current       | 1.2 Amperes                              |
| Wiring Arm              | 1771-WF                                  |
| Frequency               | 47-63 Hertz                              |
| Fuse                    | 3 Amperes, 250 Volts, Normal-Blow        |
| Cabling                 | 1771-PSCC Remote 5.5 ft                  |
| Paralleled              | N/A                                      |
| Location                | Stand-Alone                              |
| Dimensions              | 4.5 x 12.4 x 6.3 in (115 x 317 x 160 mm) |
