

2080-IF2

Allen Bradley PLC – Micro 800

Technical Specifications:	
Manufacturer	Rockwell Automation
Brand	Allen-Bradley
Part Number/Catalog No.	2080-IF2
Product Type	Analog Plug-in Module
Module Type	Analog
Number of Single-Ended Inputs	2
Analog Normal Operating Voltage Range	0-10V DC
Analog Normal Operating Current Range	0-20mA
Data Range	0-65535
Repeatability	+/- 0.1%
Input Channel Configuration	Through Configuration Software or the User Program
Update Time	180ms per Enabled Channel
Input Group to Bus Isolation/Channel to Channel Isolation	Non-Isolation
Operating Altitude	2000m
Max. Cable Length	10m
