

# 20BD011A3AYNACC0

Allen Bradley Drives – PowerFlex 700

## Technical Specifications:

|                         |                                  |
|-------------------------|----------------------------------|
| Manufacturer            | Rockwell Automation              |
| Brand                   | Allen-Bradley                    |
| Part Number/Catalog No. | 20BD011A3AYNACC0                 |
| Voltage                 | 480V AC                          |
| Phases                  | 3                                |
| Precharge               | -                                |
| Amps                    | 11                               |
| HP                      | 7.5                              |
| Frame                   | 0                                |
| Enclosure               | IP20, NEMA/UL Type 1             |
| Operator Interface      | LCD Display, Full Numeric Keypad |
| Documentation Type      | Manual                           |
| w/Brake                 | Yes                              |
| w/Resistor              | No                               |
| CE Filter               | Yes                              |
| CM Choke                | Yes                              |
| Network Type            | ControlNet (Coax)                |
| Control                 | Vector                           |
| I/O Volts               | 24V DC/AC                        |
| Feedback Type           | None                             |
