

# 20BD096A0QNNAND0

## Allen Bradley Drives – PowerFlex 700

| Technical Specifications: |   |
|---------------------------|---|
| Manufacturer              | Rockwell Automation                     |
| Brand                     | Allen-Bradley                           |
| Part Number/Catalog No.   | 20BD096A0QNNAND0                        |
| Voltage                   | 480V AC                                 |
| Phases                    | 3                                       |
| Precharge                 | -                                       |
| Amps                      | 96                                      |
| HP                        | 75                                      |
| Frame                     | 5                                       |
| Enclosure                 | IP20, NEMA/UL Type 1                    |
| Operator Interface        | Blank Cover                             |
| Documentation Type        | No Shipping Package (Internal Use Only) |
| w/Brake                   | No                                      |
| w/Resistor                | No                                      |
| CE Filter                 | Yes                                     |
| CM Choke                  | Yes                                     |
| Network Type              | None                                    |
| Control                   | Vector                                  |
| I/O Volts                 | 115V AC                                 |
| Feedback Type             | None                                    |
