## Allen Bradley Drives – PowerFlex 755

| Technical Specifications: |                                 |
|---------------------------|---------------------------------|
| Manufacturer              | Rockwell Automation             |
| Brand                     | Allen-Bradley                   |
| Part Number/Catalog No.   | 20G14GF050JN0NNNNN              |
| Series                    | PowerFlex 755                   |
| Frames                    | 5...10                          |
| Enclosure Type            | DC Input w/Precharge            |
| Frames 2                  | 2...7                           |
| Enclosure Type 2          | IP54, NEMA/UL Type 12           |
| Voltage                   | 690V AC/932V DC (not UL listed) |
| Filtering                 | Yes                             |
| Default CM Cap Connection | Jumper Installed                |
| Internal Resistor         | No                              |
| Internal Transistor       | No                              |
