## Allen Bradley Drives – MPAS Actuators

| Technical Specifications:   |                                                         |
|-----------------------------|---------------------------------------------------------|
| Manufacturer                | Rockwell Automation                                     |
| Brand                       | Allen-Bradley                                           |
| Part Number                 | MPAS-A8092E-ALMO2C                                      |
| Product Type                | Integrated Linear Stage                                 |
| Series                      | MP                                                      |
| Voltage Class               | 200V                                                    |
| Frame Size                  | 200 mm                                                  |
| Stroke Length               | 920 mm                                                  |
| Mechanical Drive/Motor Type | Direct Drive/8-frame, 200V-class                        |
| Feedback                    | 5 micron resolution incremental magnetic linear encoder |
| Enclosure                   | Open                                                    |
| Brake                       | No                                                      |
